Masters Golf

Dave reminds us that the Masters golf pool will start this week April 11. Kevin Wilson has thrown down the gauntlet and challenged all members to a duel, inviting members to risk \$5 to challenge his total score.

Billets are still needed. Drivers have now been found. Jeff Davis and Mike Giesbrecht are the contacts. Noodle Cake Studios will be presenting that day.

Becas

Jim Weber would like to know if any Rotarians have unused laptops they would like to donate to the Becas program. Two were recently donated and are on there way to PV!!

Pennies for Polio

A reminder to bring our penny's for Polio Plus for deposit in the large jar that the hotel will keep in reception. The Delta Bessborough is allowing us to put a collection jar in the hotel lobby to

collect pennies to help fund Polio Plus. This is a great opportunity to get rid of all those unwanted pennies!

PROGRAM/SPEAKER - April 8th, 2013

Posted by Graham Pearson SPH on Apr 08, 2013

We enjoyed two excellent vocational talks at today's meeting:

Lyn McGaughey

Lyn is the eldest of three and comes from an entrepreneurial family. Early work experience included stints at the Pineco Resort in Loon Lake, the Meota Café and part time work at a law office.

She completed three months of leadership training with the Armed Forces in Quebec and went on to volunteer with handicapped adults. Subsequent jobs found her in hotel management and also at the Battlefords Hospital. She returned to the law office where she spent ten years, before moving into loans administration and wealth management in the credit union system. Following an MBA from Queens she joined Women's Entrepreneurs before moving to Great West Life in benefits management. She sits on the boards of Tourism Saskatoon and Saskatoon Child Protection. She has recently volunteered to become our Club Secretary.

Jim Holmstrom

Jim was born in Saskatchewan. His dad worked for the Royal Bank which entailed many moves for the family. Jim is a U of S grad in microbiology grad (he therefore knows how to brew beer he says!). He was worked at the both the College of Medicine and at VIDO as a project manager and also spent time in the private sector. He has enjoyed much world travel with his various roles, including rural vaccine delivery in Capetown and Cambodia. He is currently a research manager at the College of Medicine where he provides research funding management and oversight. Being an athlete in his youth, he has also been a coach for the U of S track and cross country teams as a way of giving back.
