

Welcome Visitors and Friends of Rotary

Thanks for taking the time to check out the Rotary Club of Saskatoon North! This webpage is dedicated to giving you information about our club and the volunteer opportunities available!

Browse the links on the left to learn more about our goals, the four way test, benefits of membership and a brief history of our club. Maybe you know someone that is already a member of Saskatoon Rotary North—our members section provides a biography of each member.

Let us know if you would like to be added to the Friends of Rotary email list to receive announcements about events and activities. You are welcome to sign-up to receive our weekly newsletter (The Norator). Contact us by email if you would like to learn more about membership in our club or attend a lunch meeting on us!

So, again...Welcome! Thank you for your interest, we look forward to getting to know you!
