

The Four Way Test

All Rotarians are expected to abide by the highest code of ethics in both their personal and professional lives. We strive for all of our actions to meet:

The Four Way Test:

Of the things we think, say or do:

FIRST...Is it the **TRUTH**?

SECOND...Is it **FAIR** to all concerned?

THIRD...Will it build **GOODWILL**
and **BETTER FRIENDSHIPS**?

FOURTH... Will it be **BENEFICIAL** to all concerned?"

Membership Responsibilities

Each member is expected to attend regular weekly meetings and is required to attend at least 50% of meetings, each quarter. A member can attend and make up a meeting at any Rotary Club in the world, including on line.

Each member is required to pay annual dues, and is expected to support Club activities and projects.

“ SERVICE ABOVE SELF ”

What is Rotary ?

Founded in 1905, Rotary International is the world's largest service organization. Members now exceed 1.2 million across 166 countries.

The district and international structure of Rotary is designed to support local clubs and help them to provide a service not only to their community but also to provide aid to activities throughout the world.

Rotary International is a grassroots organization— most service efforts are carried out at a club level. As a Rotarian, you can

- become involved as much or as little as your time allows
- develop firm friendships through regular club meetings.

Each year Rotary International adopts a theme which serves as a club guide for community service work.

Attend any of the 31,000 clubs in the world wherever travel or business takes you.

Enjoy a fulfilling role and make a difference.
