DUTY ROSTER

Registration: **Pat Richards**
50/50: **Doreen Pankewich**
Greeter: **Peter Peters**

Regina Eastview did not have a formal luncheon this past week in favour of two Rotary opportunities which occurred in the City. The first was the All Club’s meeting on August 13th, hosted by the RC of Regina and the second event was the annual Regina Eastview Family Summer Picnic held in Pat Dell and Glen Tressel back yard and sponsored by the Club’s Past Presidents. This ROTOR is intended to highlight those two events.

THE ALL CLUBS MEETING

August 13, 2019

Regina Eastview’s **Registration Desk**, was staffed by Takayoshi Ono taking cash, and Laurel Mattison provided entry into Tuesday’s “Rotary Room”, for those who choose to pay with credit cards.

This was a great opportunity to enjoy Rotary in fellowship with members from all Regina Clubs. Gail Bradley, Ron Okumura, Peter Neufeldt and I had the good fortune of sharing a table with the Regina Club’s Murray Cain, Ernie Richardson and Fred Wagman. It was an honor to be in the company of Rotary leaders from Regina’s earliest Rotary clubs.

Ken Thiessen, Past President of the RC of Regina, was the meeting’s Master of Ceremonies and Chairman, called the Meeting to Order and led in the singing of O’ Canada. **Gilda Treleaven-Graham** shared an invocation of thankfulness which opened the way to another fine Delta Hotel buffet table.

Following the luncheon, **Chairman Ken** reminded Rotarians that this was the first of three All Rotary Clubs meetings in August, which would be followed by two functions on August 28, 2019. The next 2 will be held on August 28th when District Governor Fred Wright will be visiting the Regina Rotary Clubs. The first will be an 8:00 A.M. Breakfast Meeting at the Delta when DG Fred will make his official presentation to the Clubs. This will be followed by a wonderful All Clubs BBQ and Social Fellowshiping event at Rotary Park at 6:00 P.M. Please take in these gatherings as they expand ones appreciation for the work of Rotary, while doing so surrounded by persons with common vision whose collective commitment is “*doing good in the world*”.

ROTARY TIDBIT

Celebrating Diversity on Membership Month

When Monica Mulholland (**left**) made the decision to come out as transgender to her Rotary club in New Zealand, she was worried she would be shunned by the community and lose friends, including in her club. But instead, she has received strong support and acceptance. She was unanimously selected to serve as club president in 2017-18. Rotary "values diversity and celebrates the contributions of people of all backgrounds." How does your club measure up on diversity? PROGRAM

Chairman Ken introduced guest speaker Charmaine Hammond who notes that her initial career was working with Correction Services Canada as a Correctional Officer. Realizing her exposure to conflict situations could be the basis for “career potential” expansion it inspired her “....to learn how to deal with conflict in a different (and more transformational way)”.

After being certified as a mediator and getting an MA in Conflict Analysis & Management, Charmaine opened up a mediation company, resolving some of the most difficult workplace and community collaboration conflicts. Now she, teaches and mentor leaders, teams and groups, “to develop exceptional skills of collaboration, communication and conflict restitution to work better together. Using her knowledge and Skill, Charmaine helps “transform workplaces by helping them solve conflict, lead successfully, be resilient and build healthy productive teams.” An approved speaker for TEC Canada (<https://www.facebook.com/teccanada1/videos/573979326469969/>), her clients, “....cross many industries including Oil & Energy, Healthcare, Non-Profit Organizations, Trade and Professional Associations, Government and Municipalities.”

Charmaine provided attendees with a four page overview of The Raise a *Dream 7-step Model for Sponsoring Success*. In her presentation she touched briefly on each step of the process and discussed how, by following through, one has the potential of significantly increasing the success of a fund raising event. She helped us understand, “what sponsorship is not”. It is: i) not a handout; ii) not charity or philanthropy; iii) not a Gift; and, iv) not an investment.

The 7- Step model is summarized like this:

Step 1 - Identify & Research: It is important to identify the champions in the club; are there particular sponsors you would like to approach; maybe there are people in specific community businesses who should

be approached. Out of that potential list of sponsors, research believed key groups and understand how they would blend with your project.

Step 2 – Connect: It is critical to start building meaningful relationships with potential partners. Online connecting via LinkedIn, is a place to start, as is checking into their social media channels, and meeting them at their place of business or common event sites. Most important to respond immediately to any commitment made – always “over deliver”. Relationship is key to success.

Step 3 – The Discovery Call: this is the process of getting to know your potential sponsor. Prepare a short 2 to 3 minute succinct “sound bite” that clearly conveys the intent of the project. And be prepared to answer all their questions.

Step 4 – Proposal: When partners are secured, seek permission to send them a proposal – if permission is granted get the proposal to the partner immediately and begin the process of developing an agreement/contract.

Step 5 - Contract: Make sure the contract is clear and succinct as nothing can end a great partnership quicker than contract misunderstanding.

Step 6 – Fulfillment: Always keep your promises and over deliver. As Sponsors like to see their employees involved in the event, so explore how this could be achieved.

Step 7 – Thank you: Gratitude is essential, not just at the end but during the year; Charmaine suggested photographs of the event in thank you cards. Sharing positive feedback from participants in an event is a neat touch.

Charmaine Hammond provided quality information at a critical time of the year when Clubs are implementing their plan for the year. Chairman Ken thanked Charmaine for her presentation and presented her with a gift in remembrance of her time with Rotary in Regina.

REGINA EASTVIEW FAMILY SUMMER PICNIC

August 18, 2019

The Regina Eastview family and their friends were warmly welcomed to their spacious back yard by hosts Pat and Glen where fellowship and socializing, which included eating, was only briefly interrupted by an exciting update on the unfolding of “the year” by President Jack.

In his comments President Jack again emphasized that this year's focus will feature YOUTH and build on the importance of their involvement. So, it is not "by chance" that our Leader, where ever possible, is accompanied by his wife Trish, son Izak and daughter Sara. President Jack, leading by example – tip of the hat, Sir.

Allen and Grace Hillsden were away on a holiday and came back with neat new jackets. It was obviously very good as they are still holding hands – nice!

It is Rotary family and John and Kathy Van Koll, and John's Mother, Dorothy were some of the first people to arrive, so they got the table in the sun. The right people for the right spot.

Right – Peter Neufeldt entertained Dr. Samuel Gamtessa and his wife, Senaye Adeba. Samuel attended a recent meeting with his friend and new Eastview member Paul Daba. This was an excellent place to introduce potential members to Rotary and Paul was using this opportunity.

Below – the Paul Daba Family – from the left – Debi, holding her dad's hand, new Eastview member Paul, son Naatan, daughters Dandi and Yero and mother and Paul's wife Lelice Damava. It was wonderful to have them all at the Picnic.

Dennis Butler, Shreedhar Jachak and Dinesh Kashyap are respectfully focused on President Jack as he shares aspects this year's vision for Regina Eastview.

This was a very, very fine social event where the buffet table was laden with food largely prepared by Pat and Glen, supported by salads and some dessert things brought by others. Thank you all.

**Thanks to Pat and Glen for hosting this PICNIC and to the Past Presidents for your support.
TAKE A BOW!!**
