**Next week  
Brigid & Isaac**

**Next Week  
August 30, 2018**

**DUTY ROSTER**  
**Registration: Greg McNama**  
**50/50: Clarence Krause**  
**Greeter: Jeanne Martinson**

**Registration:** PDG Peter Neufeldt was on double duty today on Registration and the 50/50 while Sherry McKinnon extended the hand of welcome to those coming through the doors. As is most often the case, Doreen Pankewich managed credit card payments.

**Lead Table:** seated with President John were Doreen Pankewich, Berenice Beau (former Inbound Exchange student—pictured right with Sherry), Shreedhar Jachak, Jack Wozniak, PDG Peter Neufeldt, Louis Browne.

**Welcome:** President John welcomed everyone to Eastview and led us in the national anthem, followed by Rotary Grace.

*Berenice Beau was an inbound exchange student from France a few years ago. She tells us it was a year that made a huge impact on her life. It is rewarding to Rotarians to have Berenice return for a visit. Safe travels in the future, Berenice.*

**Philosophy:** From “Getting Old Ain’t for Wimps” by Karen O’Conner: “Don’t complain about growing old, few people get the privilege.”

**Welcome song:** just for Berenice we sang the welcome song as she was our only guest today.

Rotary Club of Regina Eastview's 2018-2019 Inbound Youth Exchange Student Thomas Van der Maren will arrive at YQR from his home in Belgium on Friday, August 24th at 5:33 PM via Calgary. Please mark your calendar and join us at the airport to welcome Thomas to our city and province. He will appreciate seeing all of you and instantly know of your support of the Youth Exchange program and of his year with us. Doug Mortin, Inbound Counselor.

**Sergeant at Arms:** As Sergeant Pat Dell came to the podium, **President John** was getting out his wallet. He had inadvertently forgot to call the Sergeant until reminded by several well-meaning individuals. The Sergeant had a short lecture and fine for John for his misdemeanor. **Jizinge** was also in trouble as he was supposed to be handling the 50/50 so he also received a fine from the Sergeant for not paying attention to phone messages and emails. **Past President Richard** was also reprimanded for not realizing he is a Past President and that he must donate to the Past Presidents' Garden Party. Rotobucks were distributed to the four dedicated Eastviewians who packed backpacks for the Salvation Army's Back to School project: **Doreen Pankewich, Hans Gaastra, Ann Grahame and Chris Hefner.**

Well done Rotarians. Happy Bucks: **Peter Peters** confessed that he had not taken a picture of Hostess Pat at the barbecue. He also expressed thanks to those who had supported his Bike Tour for M.S. The group experienced their highest earning ever (more later). **Doug Mortin** had happy bucks and much pride in younger daughter, Andrea, who completed an Ironman competition in Mont Tremblant, Quebec last week. She completed it in 12 hours, 15 minutes and ended in the top half of the competition. Well done Andrea. Andrea is a former Outbound Exchange student from Eastview to Argentina. **Peter Neufeldt** had happy bucks for the

\$8000 raised by District 5550 Rotarians so far for a Bronco scholarship. It is hoped the amount will increase to \$10,000. This would allow for an annual scholarship for 5 years of \$2000 to a Bronco team member who demonstrates Service above Self and has strong academic abilities. **Ann** paid tribute to Pat and Glen for the wonderful garden party. **Pat** paid tribute to husband Glen who did a huge amount of work for the barbecue.

**50/50:** Gord Wicjiowsky drew the winning ticket today but alas, he also drew blue. Better luck next time. The amount raised today was \$42.

**Program:** President John introduced Eastview member, Shreedhar Jachak, to speak about "Karma". Shreedhar told us that Karma means actions and that every action has an equal and opposite reaction. It is a concept common to Hinduism. One's duty is to do the Karma. The results are not in our hands. He offered spiritual quotes "You are the master of your destiny. You make/decide your own future. Do unto others as you would wish done to you."

Shreedhar noted that birth is due to accumulated Karma (Sanchit). There are multiple births. The types of Karma are: accumulated over several life times; actions during the present life time; Day to day

actions. Spiritual qualities: lover, affection, compassion; dictated by life (actions); anger jealousy and hatred. How to deal with the results of a Karma: offer the results to divinity. Thank you Shreedhar for enlightening us on Karma and its complexity.

### Announcements:

Doreen Pankewich announced that members now have the option to purchase prepaid lunch tickets for 23/lunch. They can only be purchased with a cheque or cash from Doreen, Allen or Ron.

Ann noted that India is experiencing its worst floods in history. Shelter Boxes cannot be sent to India as the Government does not allow them in the country as they are not manufactured in India. She can provide information as to how assistance can be provided to India if anyone wishes to contribute.

## THE SALVATION ARMY BACK PACKERS

(Courtesy of Ann Grahame)

The Salvation Army once again purchased supplies (from donations) for backpacks for children returning to school this fall. Rotarians from the Rotary clubs of Industrial Parks, Eastview and the South Club along with some of their families gathered to fill the backpacks with various supplies suitable to different age groups. The need is greater than the supply.

However over 1000 children will receive paper, pencils, pens, binders, crayons, and other supplies according to their age group, and benefit from the efforts of the Salvation Army and their helpers. Thanks to the four Eastviewians (above) who offered their help to this worthwhile project.

A reminder of the many good things that go on in Regina!
