### PROGRAM

**“Surgical Help in Guatemala”**  
with **Dr. James Carter**

**June 1, 2017**

### DUTY ROSTER

**Registration:** **John Van Koll**

**50/50:** **Gail Bradley**

**Greeter:** **Doug Archer**

Pat Richards looked around at the meeting and saw no one taking pictures or taking notes and made a snap decision, “I can do those things” and she did. Pat observed, “As usual the meeting was great even though we were missing a lot of our regulars who were absent due to the meeting in Kenora, Ontario.

**Registration** was managed by Joyce Butler at the entrance table, who was quite happy to take our money.....we did not sell 50/50 tickets and take a chance on the marbles this time..... Joyce was more than convincing in telling us all the reason why.....

(Jack Wozniak may have been on duty to **Welcome** folks to the meeting.)

**President Greg** McNamara was nowhere to be found and was rumoured to be traveling to Kenora with John Van Koll who was also not at the meeting, and as a result President Elect Richard Schwan was in charge and kept matters under control.

The **Lead Table** consisted of Guest Jennie Bryant and Rotarians Chad Cunningham, Lyle Gollnick, Laurence Vigrass and of course President Elect Richard Schwan.”

**MAY was “Youth Services” Month in Rotary – What is the Month of JUNE – Best be ready for the QUESTION – It could well come up!!**

Our single **Guest** was Jennie Bryant

We would have sung **Happy Birthday** to Gary Carlson, but he and Jessie were enjoying the District Conference in Kenora, and so our practiced rendition will have to wait for another day.

### **SERGEANT –AT-ARMS**

Sergeant-At-Arms was Jeanne Martinson - the only fine the editor recalled was to President Greg....who was absent .....so the Sergeant fined Richard instead (which is only fair and would surely be supported by components of Rotary's *Four-Way Test*).

Happy Bucks....Sergeant Jeanne paid 2 dollars as she was happy to have a new deck (this may be on the house, then again, it may mean something altogether different); Chad Cunningham gave his money as he was building a fence and was happy to have 5 other families help pay for it; Laurel Mattison's daughter built garden boxes and so now they were ready for planting; Tracy Schick Sparrowhawk gave her money as her 15 year old daughter was playing volleyball (photo from web) and doing a great job; Pat Richards was delighted to contribute as she is excited her daughter and grandchildren are heading up from Texas.

### **PROGRAM**

We had three great speakers:

Vern Hoyt talked about the pumpkin fund raiser and appealed to us to make it even bigger than last year - Well done, Vern!

Jennie Bryant accepted a cheque from the club in the amount of \$1100.00 for Early Childhood Education. This is a non-profit organization that works with children from birth to school age who may have a disability or delays in their development. With the money Regina Eastview has provided, they plan to purchase adapted toys that will allow children with limited mobility the opportunity to play and learn as independently as possible.

Our own Richard Schwan was our last speaker who gave three tips on investments (**these tips may have been secret and therefore not recorded – check with Richard for a whispered version - php**). Richard also shared how happy he was with his new position at TCU.

### **DISTRICT CONFERENCE 2017 – Kenora, ON**

DGE Peter Neufeldt inviting District Conference 2017 attendees to come to Regina for the 2018 District Conference, May 24 – 27, 2018.

More to come!
