DUTY ROSTER

Registration: Nicholas Robinson
50/50: **Peter Neufeldt**
Greeter: **Ted Kent**

The **Registration Desk**, was not the first thing we experienced at Regina Eastview today. We were “out in the country”, supposedly “South, 9.7 km from the center of the bridge going down #6”, as per directions from President Greg last week. The fact that so many people showed up at the Paul Snell farm, is in and of itself a miracle. But I digress, our first glimpse of anything Rotary was a very lonely Vern Hoyt standing well off the highway holding up the blue “Regina Eastview” sign, which meant we were to head east for a further specified distance, and “presto” we were welcomed to:

Once inside this unique complex our host, Paul Snell and his Associate, former Regina Eastview member Boob Lawrence introduced us to the world of *Antique Auto Association Regina*. It was a nostalgic walk down “memory lane”.

While the focus of the Irish poet and novelist James Joyce observation was probably not on the automotive industry, its' appearance in this morning's Leader Post has application to our stroll today, *"The past is consumed in the present and the present is alive only because it gives birth to the future"*.

Oh yes, there was a **Registration Desk**, amid a wonderful collection of "yesterday", down to a checkered table cloth on one of the dining tables set up for our lunch. There we found the very modernly clothed **Registrar** Leif Riesach and **50/50 ticket** seller Doug Mortin. The latter was doing a brisk business in response to the ever more intense search for the "green" marble.

Or maybe this 1965 Rambler 2-door hard top – learned on site today – Rambler was manufactured by the American Motors Corporation (And from Google - *The American was the second incarnation of AMC's forerunner Nash Motors second-generation Rambler compact that was sold under the Nash and Hudson Motors marques from 1954 and 1955.*).

This 1953 Meteor was a dream car for every 16 year old throughout the 50's and well into the 60's – white wall tires and dual mufflers. Just image what must be under the hood!

October is
**Economic and Community Development
Month**
in Rotary

Guests included Sanjay Jachak guest of his Father Shreedhar; Malcolm Bucholtz guest of Jeanne Martinson; and, **Westar design print** promote officials, Lloyd Halback and Yougin, colleagues and guests of Chris Hefner.

Doug Mortin managed the **50/50 Draw** which saw visitor Lloyd Halback, feel for green and a possible \$436.?? to \$438.?? Prize. But it was not to be, and so tension rises and *maybe* next week!!!!

Chili For Children Duty Roster

Oct 28 - Doreen Pankewich, Doug Archer, Hans Gaastra

Nov 4 - Lyle Gollnick, Greg McNamara, Doug Mortin

Nov 11 - NO SCHOOL

Nov 18 - Tracey Schick Sparrowhawk, Doreen Pankewich, Jack Wozniak

Nov 25 - Ann Grahame, Tania Woroby, Allen Hillsden

Host Paul Snell (above) was also chief cook and bottle washer, while leaning on Bob Lawrence's culinary barbecuing skills. Paul is seen here whipping up the Caesar salad under Peter Neufeldt's watchful eye.

This special 1959 Chev barbecue was not used today, but is rolled out on those special antique car show days.

It was unveil the *weight of the pumpkin day* – a day Vern Hoyt singlehandedly managed for the past month plus. While guesses ranged over a “kilometer”, it was **Barry Strohan's** guess of 30 pounds, 3 ounces that came closest to the official recorded weight of 30 pounds, 6 ounces. Barry selected a \$50.00 gift certificate to *Ricky's* as the winner. Runners up were **Hans Gaastra** with a guess of 30 pounds 2 ounces; and, **Louis Browne** with a guess of 30 pounds. Wow, these Rotarians know their pumpkins!

This Mercury Montclair was the first car we saw when we stepped into the building. It rather set a warm and welcoming tone for our visit.

There were shelves of collectables, some unfamiliar in today's market place, but some still have a familiar ring and are seen stores (e.g. Quaker State).

We sang **Happy Birthday** to Allen Hillsden as we missed this important event when President Greg was away. Sadly, Allen was moving, but Greg was in focus (and who does the photographer want to impress??).

Rotary's Peace in Action - October 2016

Leaving the University of Queensland in the pursuit of peace – check out this story at:

President Greg took a moment to express our deep collective appreciation to **Paul Snell** for hosting the Club in this very special place. Of course, it was further opportunity to remind the recipient of the insulated Grocery shopping bag where and why these treasured gifts are distributed. Thank you, Paul Snell.

COMMENTARY

Gatherings of Regina Eastview are, as a rule, special occasions. Some occasions are extra special – like the evening when then President, Ron Okumura, invited us to an evening in the bar. I think today was another “bar” meetings – it was different – it was outside our “box” –

outside the City - we met without the “burden of routine”. Thank you all for making it unique.

For the Regina Eastview ROTOR, I am Peter Peters
