*AI Use, Original Work and Disqualification Policy:

Students may use AI tools for brainstorming, research assistance, organization, grammar, spelling, punctuation, clarity edits, citation formatting and logic checks. Students must independently verify background information. AI may not write the essay or substantial portions of it, generate paragraphs that are copied or lightly rewritten, replace the student's ideas or ethical reasoning, invent personal experiences, opinions or reflections, or answer the prompt in place of the student's own values and application of the Four-Way Test. Final ideas, analysis, conclusions, words and voice must be the student's original work. On the Student Information Form, identify any AI tools used and explain how they were used, including grammar or spelling assistance. Write 'None' if no AI was used. Plagiarism, undisclosed AI-generated content, or essays that do not reflect the student's own work may be disqualified, and any announced prize placement or prize money may be forfeited.
