

**WELCOME ALL!!**

A group of 13 gathered for a beautiful evening at the country home of Ken and Margaret Cook. Guests included Yvette's husband Malcolm, Mario an exchange student from France and Uche Nwankwo joined us again. As well the resident dog, cats, kittens, horses, goats, sheep and chickens were on site!

Regrets were received from Bill, Ken, Peter, Tom, Pat and Kevin.

Margaret's culinary skills were well honed as she had a great spread of yummys for all to sample. Appetizers, main course and dessert were available for all to dig into.

For anyone not familiar with her residence quick tours were made to see the 1860's vintage residence.

Gary made the rounds collecting \$20 per head with \$10 going to Margaret for the food cost and the other \$10 will be directed to the polio fund.

A rough sounding, but nevertheless sincere rendition of "Happy Birthday" was sung to Margaret by the chorus of LNR.

A few members stayed behind to help with the clean up. Peter was sorely missed for this activity!

Many thanks to Margaret and Ken for having opened up their home once again for a mid summer meeting. This is getting to be an annual event!

Rotary Projects Around the World

Fiji

Members of the Rotary Club of Labasa know that big payoffs can come from seemingly small gestures that touch one Fijian at a time, say Rajneel Maharaj, the club's immediate past president. In March, 10 Labasa Rotarians spent a week repairing a leaky roof and performing other maintenance chores at the home of an indigent widow and her 32 year old disabled daughter. "They have made it possible for me and my daughter to sleep peacefully at night", the beneficently Maya Wati, told the local newspaper.

Caddy Comments

Golfer: That can't be my ball.. It's too old.

Caddie: It's been a long time since we teed off sir.

Golfer: This is the worst golf course I have ever played on.

Caddie: This isn't the golf course. We left that an hour ago.

Guatemala

Continuing a tradition of helping indigenous Guatemalans, several members of the Rotaract Club of Santa Barbara CA and the Rotary Club of Santa Barbara partnered with the community's United Church and the nonprofit Mayan Families to raise \$17,000 to assist communities along Lake Atitlan. The entourage participated in a nine day service trip in February to build homes, pour concrete floors, install stoves and water filters and distribute necessities.

Golfer: So how do you like my game?

Caddie: Very good sir. But personally I prefer golf.

Golfer: Please stop checking your watch all the time. It's distracting.

Caddie: It's not a watch. It is a compass.
