Gary announced that from the golf tourney it looks like an estimated \$18,000 will be netted from the days events. Way to go all who helped in one way or another!!

AG Sue Storie introduced DG Martin Ward. Martin is in the early stages of making his visit to all clubs in the district. In doing so he brings a message from RI President Ian Riseley. We as members are reminded that Rotary does make a difference and that the future of Rotary in our community is in our hands. Part of the effort to promote membership in attracting new people, clubs now have more flexibility in how they meet and the frequency of the meetings. This new approach is already being tried by some of clubs nearby. Martin also spoke of the need to continue supporting polio eradication. Only 8 new cases have been reported this year but the world is not yet quite there to be declared such. Also Martin explained the new Rotary Citation (to replace the President's Citation) and the checklist of criteria required. With several levels the hope is that more clubs will be able to qualify one way or another. President Doug thanked Martin and presented him with 250 RI recognition points.

The draw was won by Arun and he graciously gave his winnings to DG Martin.

There were a few items left over from the golf tourney that were made available for members to take home if interested—Bud Light tee shirts, cooler bags and baseball caps etc. Apparently the leftover baseball hats are destined for Stevenson Camp.

See everyone next week at the Cook country residence!

*Caddy Comments*

*Golfer:* Do you think I can get there with a 5 iron?

*Caddie:* Eventually.

*Golfer:* Do you think my game is improving?

*Caddie:* Yes sir, you miss the ball much closer now.

*Golfer:* I'd move heaven and earth to break 100 on this course.

*Caddie:* Try heaven. You've already moved most of the earth.

*Golfer:* do you think it is a sin to play on a Sunday?

*Caddie:* The way you play sir it is a sin on any day.
