

WELCOME ALL!!

About 14 people gathered at East Side Mario for the first meeting of our new Rotary year. Colin's wife Julie was our only guest.

Regrets were received from Tom, Pat, Arun and Margaret.

President Doug led us in toasts to the Queen, Canada and Rotary.

Some *Happy Bucks*...\$6 from Julie as one of the robotics team members won a healthy scholarship to U. of Waterloo..\$5 from Colin as Julie joined him for the meeting..\$5 from Bill as Gael did not join him for dinner this being their 59th wedding anniversary..\$10 from Yvette as she has family visiting from Trinidad..\$5 from Vic for a good day of golf..\$5 from Andy as he was

characteristically late..\$1 from Doug for his typing skills and \$70 from Don for his birthday.

Correction...the PHF that Doug received last week should have been PHF+8 !

An update on polio donations. Zone 24E (our zone) donated over \$1million to polio this past year and District 6330 members donated over \$110,000.

London East RC is collecting bicycles to send to South Africa. If you have any idle ones sitting around your house bring them in.

Imagine her surprise when Julie Steele was awarded a Paul Harris Fellow! Being that Doug did not know she was going to be at the meeting he didn't have the

certificate or pin on hand however the “presentation” was made with the hardware to be delivered personally by Doug. Having given up part of her basement and garage for the robotics team and Colin’s computer project, Julie has been very much a helping hand with a number of LNR projects. Congratulations and many thanks to Julie!

Doug reviewed the new board members and advised that a secretary is needed!!! He will stay on for a bit but as president his hands will be full enough (let alone whatever he is doing on the district level.) Step up someone and help out.

Being a business meeting Gary presented the financial statements. All is in good order as always!

Vic mentioned that he had recently attended the Medway High School graduation ceremonies. He encouraged all to take the opportunity if possible to attend on of these. He was very impressed with the caliber of students.

Goals and activities (confirmed and tentative) were reviewed by President Doug. We will be looking at \$2000 to the Annual Funds of RI as well as \$1000 to polio. Activities include, or may include, the golf tourney, DG Martin Ward’s visit, dictionary project, the April 14 Variety Show, a joint meeting with London East RC, an East Coast Breakfast Party (!!!)...lots happening on the horizon.

Needless to say that prizes, more golfers, hole sponsors are still

needed for the golf tourney coming up in 4 very short weeks.

Vic had several cases of Guisi’s jams for all to take home and enjoy. Please bring back the empty jars! She supplies these out of her own pocket. Children’s clothing, shoes etc. can be brought in as Guisi is heading back to Cuba in November.

Colin won the draw and took home a nice bottle of vintage.
