a marketing specialist working in outdoor education, strategic planning and marketing of the UTRCA. He has seen thousands of children excited about conservation and working hands on with hundreds of community partners. His presentation was very interesting and informative with a couple of videos to show some of the unique projects they have worked on to improve the local environment and the watershed surrounding us. Doug thanked Steve and presented him with a Polio Plus certificate of a donation to be made in his name. Steve had brought along two toques to be drawn for. Dennis and Tom were the winners of these head warmers perfectly timed for the upcoming cold weather.

The draw was won by Mary Margaret and she gave the bottle of vintage to guest Steve.

Don't forget to advise Kevin if you will NOT be at the meeting. Sometimes the restaurant needs extra tables that we may be holding up and eventually not need.
