Our guest speaker for the evening is Murray Hunter. Murray, through the London Community Foundation started a legacy project in memory of his daughter who was killed by a drunk driver. Being that he loves gardening he decided that the funding would go toward community gardens. The creation of a variety of gardens around the city and in close by communities has been very successful. There have been food gardens grown, historical gardens, legacy projects, a garden for bereaved families, gardens for rehabilitation programs and gardens to attract bees for pollination. Perhaps he will grow a "Purple for Polio" garden?? Doug thanked Murray and presented him with a Polio Plus certificate of donation.

Kevin has asked that members please contact him if they will NOT be at the meeting. Sometimes the restaurant needs extra tables that we may be holding up and eventually not need.

The draw was won by Rotarian Paul Farrow.
