Arun introduced guest Kelsey Nicholls. Kelsey is the Community Engagement Coordinator with Reforest London. She primarily manages the relationship with thousands of volunteers so that they can plant thousands of trees. Reforest London has four program areas..1) Inspiration and Education..2) Tree Planting..3) Tree Growing and Distribution..4) Tree Gifts. Another one of their projects is to plant one million trees in London, so if anyone has planted a tree on their property since 2011 you can go one their website and register your tree. They are currently over the 357,000 mark. Don thanked Kelsey and presented her with a Polio Plus certificate of a donation to be made in her name.

The draw was won by Ken and he graciously gave his winnings to Kelsey.

Don’t forget the Oakbotics leaf raking fundraiser!
