\$18,500 over to the Community Service account!!

Vic advised that he delivered a cheque in the amount of \$500 to Guisi for her next humanitarian trip to Cuba mid November. She was most grateful and offered to make us lots of jam!

Happy Bucks..\$\$20 from Yvette as she had no cavities and another \$20 as her son is now employed..\$20 from Gary as he has a new friend..\$5 from Colin as he lost 10 lbs and a bunch of \$\$ from the rest of the membership as they are happy that they are not the club secretary as Lin has taken over that position.

Arun introduced guest speaker Miranda Bothwell. Miranda is with the London EMS and has spoken to us previously about the defibrillator program. This time her topic was emergency preparedness. She gave an excellent talk containing lots of great tips and information on what people can do in advance to assist paramedics in the case of an emergency visit. She also explained that heart and stroke patients are automatically sent to UH as they have specialty systems in place to handle such cases. Doug thanked Miranda for her great talk and presented her with a Polio Plus certificate of donation.

Don won the draw and graciously gave his winnings to guest Miranda to enjoy.

We will be manning the Salvation Army Christmas Kettles on December 02. A sign up sheet will be circulated next week.
