

WELCOME ALL!!

A group of 14 gathered at East Side Mario's. A quick cameo appearance was made by Dennis. Our guest speaker Gary Masters joined us as well.

Regrets for the evening were from Gary (as he still sails the Mediterranean), Vic, Kevin and sort of from Dennis.

Some *Happy Bucks*....a whole bunch from Yvette...\$58 in fact...for a variety of reasons including her luncheon participants pitching in...\$10 from Margaret as she had a great time in Vancouver at a family wedding...\$2 from Arun as some of his Western students are Rotaractors and \$5 from Colin as the Robotics yard sale last Saturday was a success!

President Doug reminded us of the upcoming Rotary Foundation seminar. The club will pick up the tab if anyone is interested in going.

Anyone who has not started the Rotary Leadership Institute may be interested in an upcoming (part 1 only) session that will be held on two consecutive Monday evenings at the library downtown. Think about it!

Margaret has been invited to the Peace and Environment Conference in Vancouver next February. If anyone has copious amounts of airmiles hanging around and would be interested in sharing them let her know.

Arun introduced our guest speaker Gary Masters. Gary has a long history of management experience with much of it being in the tourism industry. He had a lot of interesting facts about this and especially about his favourite destination...that being Hawaii. He spoke about the history of the 50th state and of its' culture. Lots of Hawaii trivia and some great photos made for a very interesting presentation. Doug thanked Gary and presented him with a Polio Plus certificate of donation. As a former Rotarian Gary is very much aware of the polio eradication project by RI.

Colin advised that the Oakbotics team is doing another fundraising project so if you have a lawn full of leaves that are waiting to be raked just get in touch with Colin. Inside the city limits only please.

John won the vintage draw and kindly donated his winnings to guest Gary.

Happy Thanksgiving everyone!!

This Week in History

1786-Prince William became the first member of the Royal Family to visit Canada.

1825-The "Great Miramichi Fire" of New Brunswick broke out killing over 500 people in two days.
