

WELCOME ALL!!

A small group of 9 gathered for our weekly meeting. Our one guest was speaker Jennifer Mitchell.

President Don expressed greetings and passed along regrets from Margaret, Vic, Dennis and Andy.

Don advised that a note was received from Colin thanking us for the flowers Julie received. Apparently she is now home and will be much happier and able to get some needed rest.

Doug has printed up the labels and letters for the dictionaries and is awaiting the arrival of the dictionaries.

For those who are joining the brewery tour next week please

personal injury lawyer with Brown Beattie O'Donovan. She had some interesting information to pass along about the types of claims and the importance of talking to a lawyer as soon as possible following an accident or an injury. Rights and options would be discussed on an initial visit. She also stressed the importance of promptly seeking medical attention as this info can be crucial to the outcome of a case. Don thanked Jennifer and presented her with a Polio Plus certificate of donation.

John won the draw but had to settle for a virtual bottle of vintage until the real thing arrives.

Don rang the bell to end another historically short meeting!

I've Learned

I've learned.....that money doesn't buy class.

I've learned....that it's those small daily happenings that make life so spectacular.

I've learned....that once a relationship is over, if you experienced more smiles than tears, then it wasn't a waste of time.

I've learned....that under everyone's hard shell is someone who wants to be appreciated and loved.

I've learned....never to humiliate another person. Always give him an honourable way to back down or out of something and still save his face.

I've learned....that if you are still talking about what you did yesterday, you haven't done much today.

I've learned....that to ignore the facts does not change the facts.

I've learned....that you view other people's children in a whole different light when you have some of your own.

I've learned....that the older I get, the smarter my parents become.

I've learned....that when you plan to get even with someone, you are only letting that person continue to hurt you.
