

WELCOME ALL!!

A group of 15 followed by a cameo appearance gathered at Stevenson Children's Camp for an informal get together. Two guests joined us. Andy's wife Alice and Global Scholar Surer Mohamed were out to share the evening with us.

Chef Vic and his helpers stoked the fires of the BBQ and got all ready to cook up some yummy sausages for all to feast on. Potato salad, cole slaw and sauerkraut added to the mix of tasty eats. Camp director Joe was able to join us for only for a short while as he had another event going on at the camp at the same time. A beautiful fall evening was enjoyed by all.

London North Rotary Club
District 6330
Meets Wednesdays at 6:30PM
East Side Mario's Fanshawe Park Rd.
& North Centre

All hands on deck!

Following dinner Doug introduced Surer Mohamed, a Global Scholar from London. Surer recently returned back home after having spent the last school year on her scholarship studying at Cambridge University in England. Her area of interest includes international studies and politics. She had a very successful year and thoroughly enjoyed her stay. She had a host Rotary club that she visited numerous times and members were keen to take her out and show her around the area. Surer will be returning back to Cambridge within the next few weeks as she has been awarded another scholarship (through the University of Cambridge) to continue her doctorate studies. She is very excited to be able to go back to Cambridge. Surer

thanked Rotary over and over again for having given her the opportunity to study at such a great educational institution. She says that there is no way she would ever have been able to afford this. We wish her all the best and she will no doubt have a very successful academic year.

A few worker bees stayed around to help clean up the mini mess that followed our culinary experience.

President Doug reminds us that the club needs a secretary!!!! Don't be shy about taking over the responsibility.

John is going to be making up a float mount photo for one of our members. Should anyone else be interested in one of his photos please contact John directly.

This Week in History

1793-George Washington laid the cornerstone of the US Capitol Building.

1890-British mystery writer Agatha Christie was born.
