

WELCOME ALL!!

A group of 20 gathered at Stevenson Camp for our weekly meeting. Guests included AG Kathleen Murphy, Sue and Rick Storie, Janet Langford, Malcolm Thornton and Stevenson Camp director Joe Douglas.

Regrets were received from Tom and Pat who are in Timmins for the birth of a great grandchild!

Colin gave us an update on Julie advising that she is regaining her strength and is on the road back to recovery.

For those who remember charter member Dr. Bob Baxter there was an informal memorial get together at the family cottage on Sept. 22. Dr. Bob's wife Bunny recently passed away as well so family and close friends gathered

to reflect back on all those whose lives were affected by Bob and Bunny, including Bob's Rotarian friends.

Director Joe took a few moments to talk about the camp and his experiences this past summer with more than usual behavioral issues by a number of the campers. He also had some good stories to tell and many of the kids are already looking forward to returning to camp next summer.

Thank you to chefs Vic, Gary, Peter and Dennis. A yummy poor boy feast of sausages, sauerkraut and salad was enjoyed by all. From the proceeds gathered we were able to present a cheque to Joe for \$365 which will cover the cost of one child's camp fees next summer.

Vic expressed thanks to Joe for all he has done for so many kids over the number of years that he has been with the camp.

Next week is back at the Loblaw store.

Too Funny!!

My ex just called and asked if I would loan her \$300 to help pay her rent. Those who know me, know that I'm always willing to help out friends. I told her to give me some time to think about it and I would call her back.

Before I called her back, her friend called and told me that my e was lying and not to give her the money. She goes on to say that the real reason she wanted th money was to get her boyfriend out of jai. So she could be under the same roof as him for his birthday.

I thought about it for a minute and decided to give her the mon-ey because we all needed help at time. So I called and told her to come get the money.

A couple of hours later I get a call from the Shediac Jail. It was my ex crying, screaming and asking why I gave her counterfeit money.

My response...so you and your boyfriend could be under the same roof for his birthday!!
