CHANGE ACROSS THE GLOBE
IN OUR COMMUNITIES AND IN OURSELVES

HOW DO WE ACCOMPLISH THIS? THROUGH THE WORLD OF ROTARY:

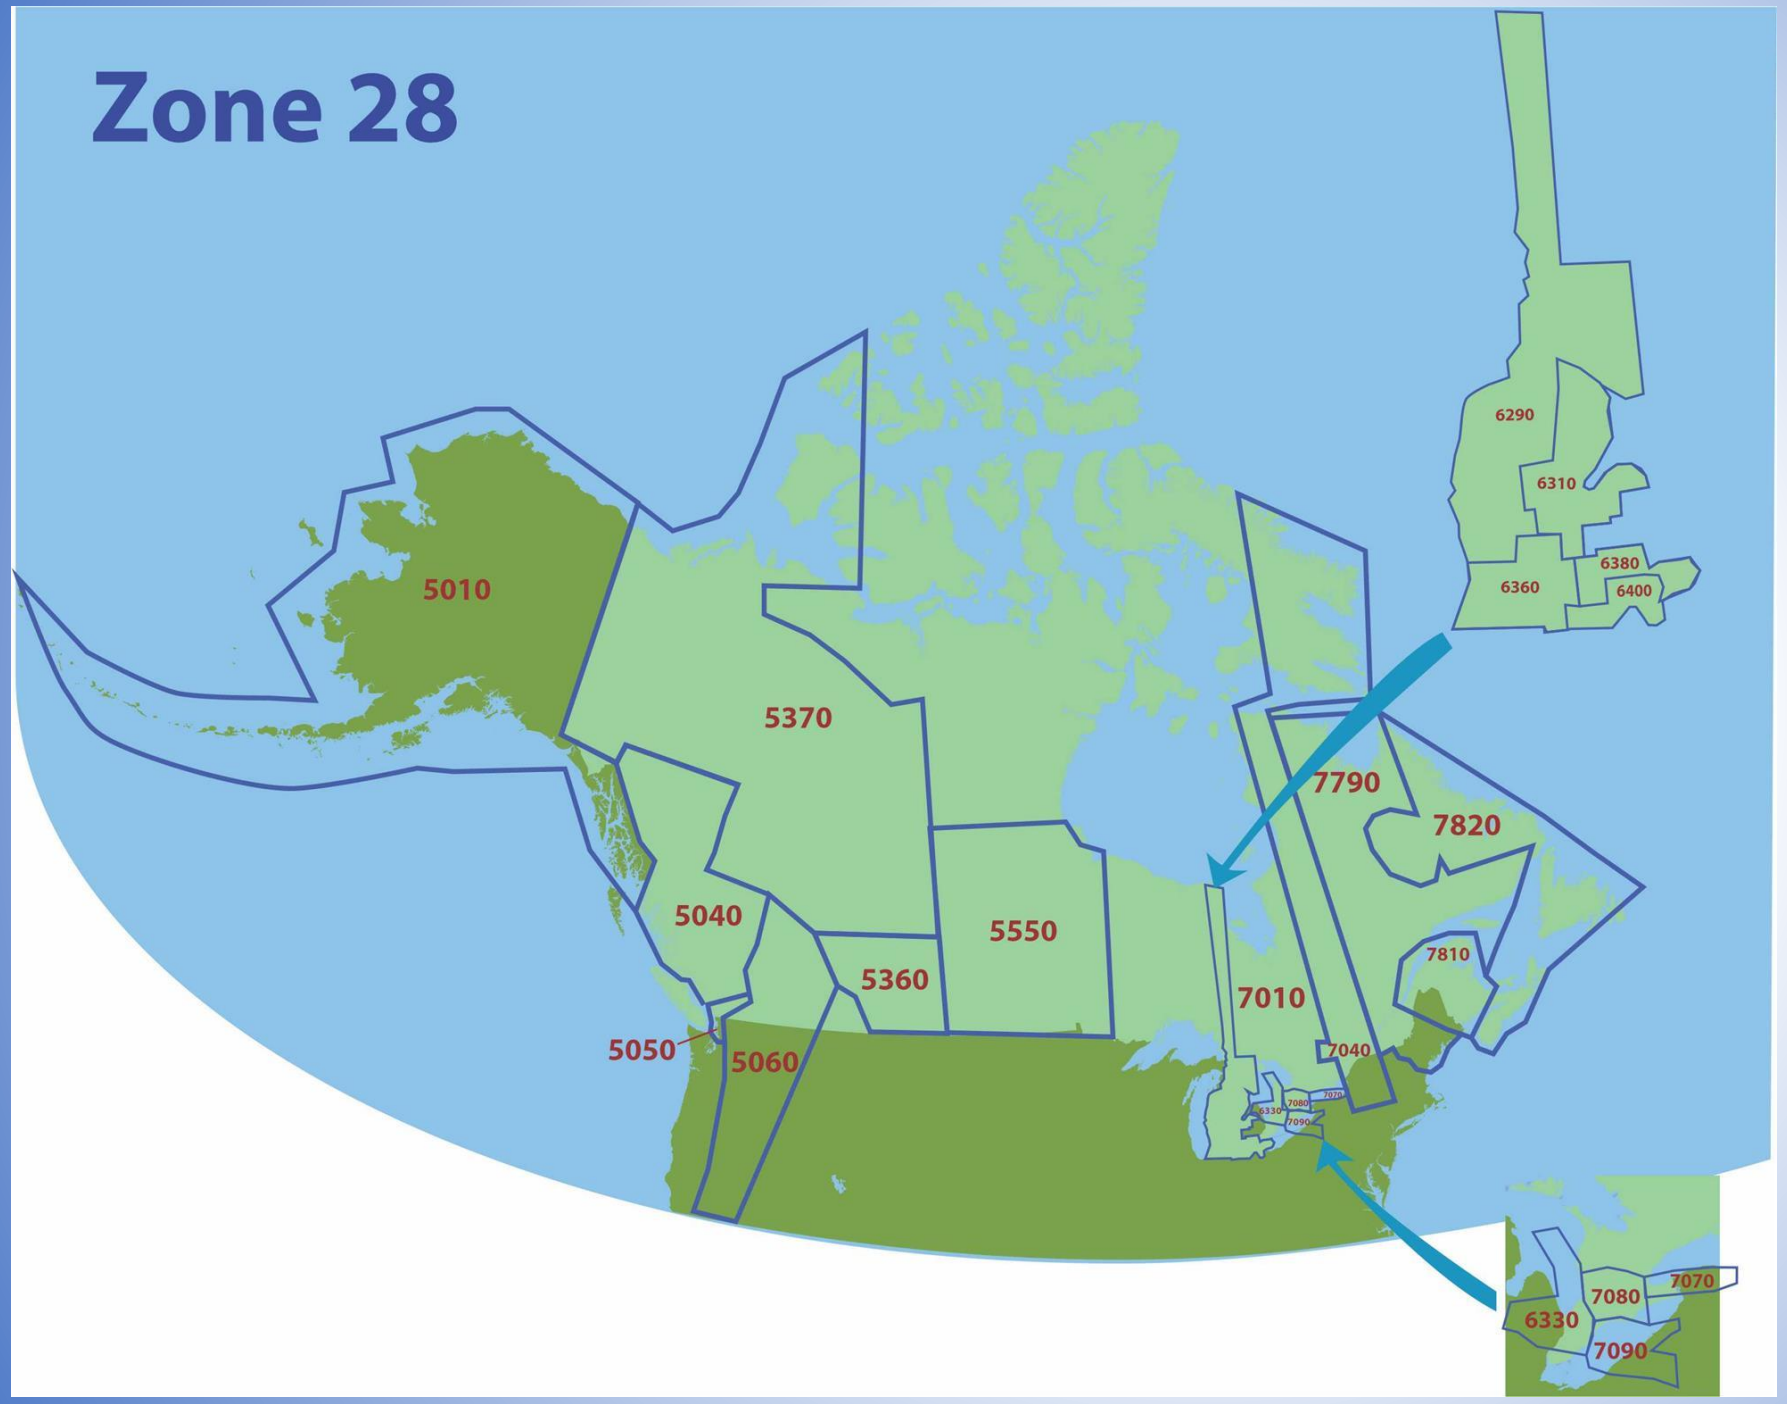

ROTARY IS FOUND IN JUST OVER 200 COUNTRIES AROUND THE WORLD…OVER 1.2 MILLION NEIGHBOURS, PROFESSIONALS AND COMMUNITY LEADERS IN MORE THAN 45,000 CLUBS. AND, AS A ROTARIAN, YOU ARE WELCOME AT ANY OF THEIR MEETINGS!!

The Rotary Clubs around the world are broken out into ZONES. There are 34 Zones which are grouped together intro pairs, to balance club membership and help elect our Directors who sit on the Rotary International Governing Board.

Rotary

We are in Zone 28 and are paired with Zone 32.

Since it was founded more than 100 years ago, TRF has spent more than $4 BILLION USD on life changing, sustainable projects.

Rotary

EVERY ROTARIAN EVERY YEAR – What is this? What difference can it make?

Rotary

Rotary provides the vehicle by which ordinary individuals can achieve extraordinary impact through courage, persistence, and acts of kindness, proving that anyone can change the world.

Consider: ***Malala Yousafzai*** *who stood up for girls' education despite life-threatening danger, becoming the youngest Nobel Peace Prize laureate and founding the Malala Fund to promote education globally.*

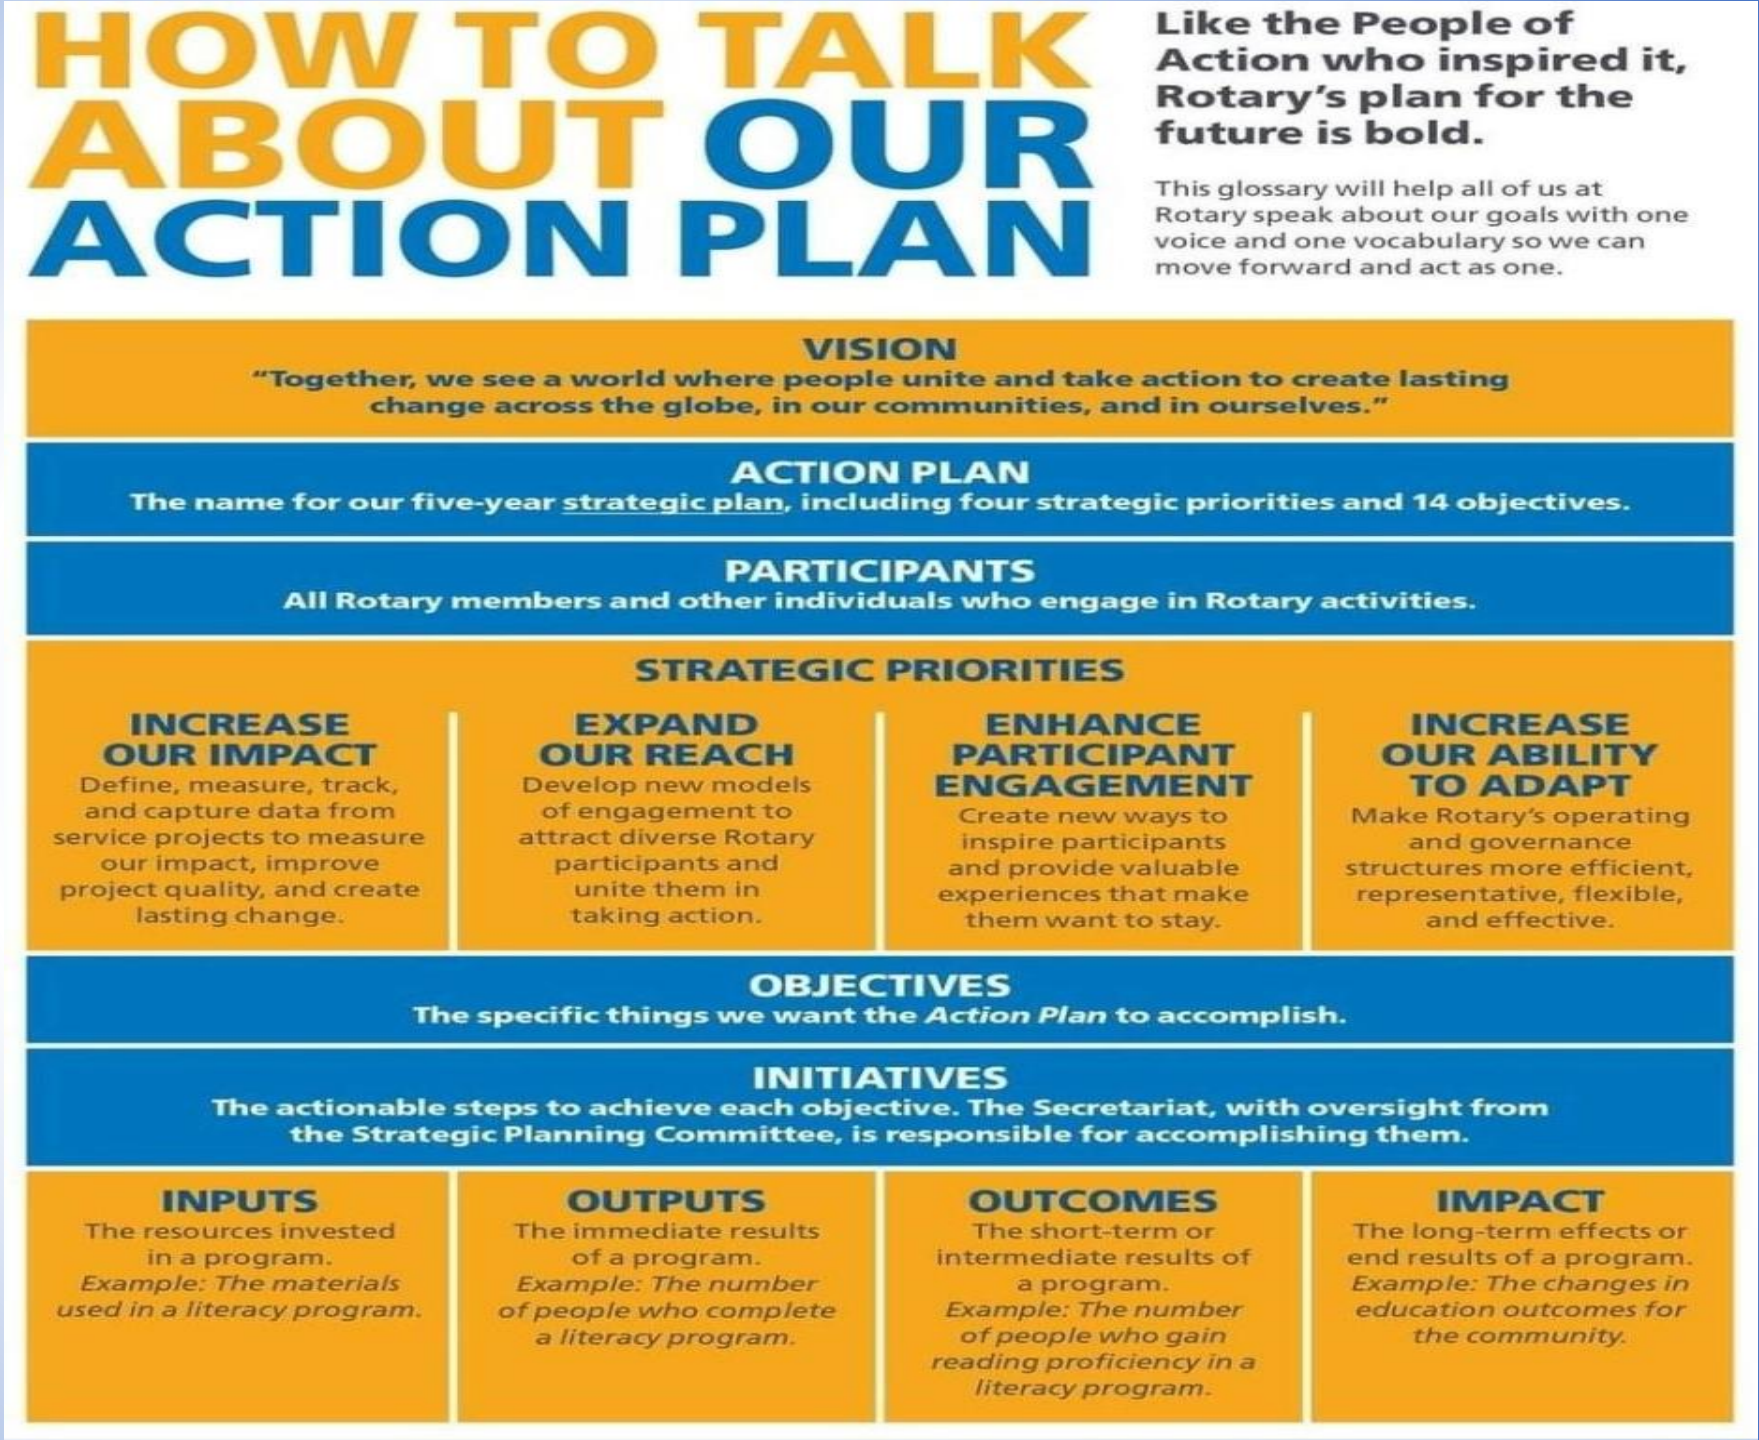

Rotary partners with the work of the Malala Foundation.
In fact, Malala was a key note speaker in Taipei...

LEADING WITH GRATITUDE: YOUR ROTARY GRATITUDE JOURNAL

"Leading from a place of gratitude elevates our Leadership. AND, at the same time, elevates the journey of those working with you", PIP Jennifer Jones, International Conference, January, 2026.

A **gratitude journal** is a mindfulness tool used to record things you appreciate. By dedicating a few minutes daily to note positive moments, it helps shift your focus from negative thought loops and stress to everyday pockets of joy, ultimately boosting your overall well-being.

Why Keep a Gratitude Journal?

Research shows that regularly practicing gratitude leads to tangible mental and physical health improvements. Benefits include:

- **Better Sleep:** Writing down positive reflections helps calm the mind before bed.
- **Reduced Anxiety:** It actively mitigates negative stress and fortifies emotional resilience.
- **Increased Happiness:** It forces your brain to notice the good in your life, even on difficult days.

I will be sharing my moments of gratitude with our Membership throughout this year and I encourage you to as well…

Rotary

SHARE OUR WHY.

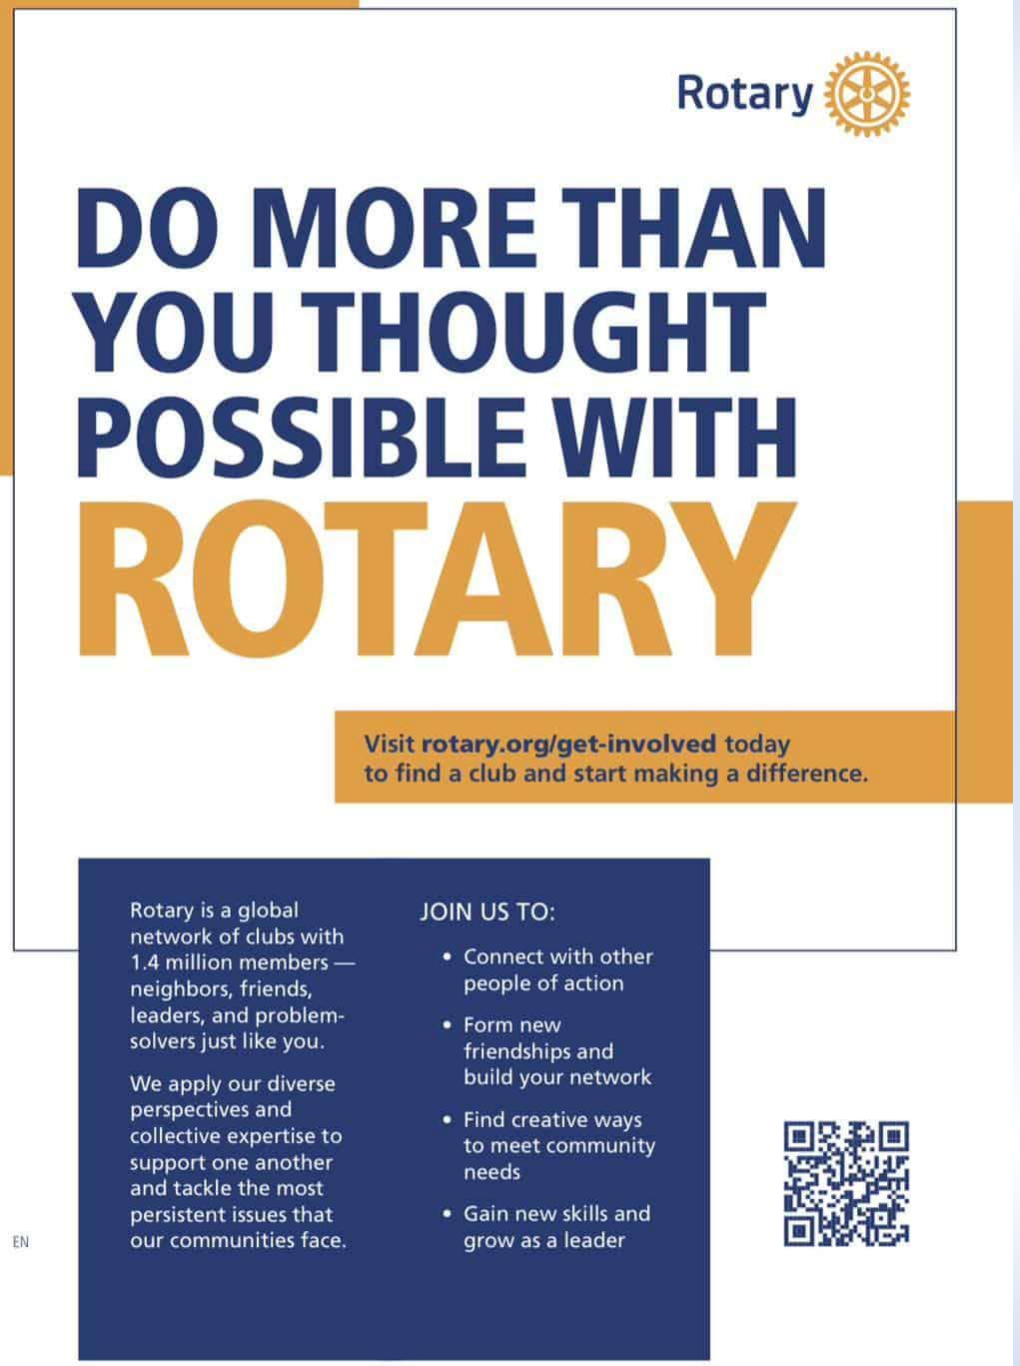

WRAP IT IN GRATITUDE

THE TRANSFORMATIVE POWER OF SERVICE ABOVE SELF HAPPENS!
