Meet our members!

Gord Christensen joined the Rotary Club of Mildmay in 2005. Gord moved to the Mildmay area in 1998 and during that time observed many of his neighbours and friends who were dedicated Rotarians doing great work in the community. Gord is currently the President Elect for the club. In 2005 Gord suffered an injury and needed assistance loading the winter's wood into the house. The Mildmay Rotarians banded together and loaded the wood!!! At that moment Gord knew he had to be a part of this great, selfless organization.

Did you know that the Rotary Club of Mildmay donated \$50,000 to the Warming Room Renovations at the Arena?

Meet our members!

Dawn Kennedy joined the Rotary Club of Wiarton in 1991. She was the second woman in the club. She transferred to Mildmay in 2003 to become the first woman in the club and serves as the current President. Dawn joined Rotary as she believes that you can accomplish more as a like-minded group than an individual. It's a great way to "do good", have fun and meet people.

Did you know that the Rotary Club of Mildmay turns 80 in November 2023?
