

The 2020 St. Thomas Rotary Music Festival Program

Message from Frank Exley

Chairperson of the St. Thomas Rotary Music Festival Committee

For me, becoming chair of the Rotary Music Festival caps off a lifetime of being involved with the festival first as a participant when learning to play clarinet, as a teacher involved with entering bands, choirs and rhythm bands in festival competitions and then as a volunteer assisting with band competitions for many years as well as captain of some of the venues. The success of the festival is due to the many volunteers who are part of the Rotary Festival committees that work diligently all year long to help make it the success it has become. We can never thank our wonderful volunteers enough for their commitment and dedication. We are also indebted to those in our community who offer facilities where our competitions can be held. An area where there has been an increase is in scholarships thanks to the generosity of those who see the value of such an investment. We are also excited about the fact that some of our winning competitors will be participating at the provincial level since we are a member of the O.M.F.A. At this time, we also thank Gerald Vreman who as chair worked hard to see that the festival ventured into some new avenues of competition. Music is forever changing which becomes part of the challenge when putting this program together. This festival would not be a success without the many donations from friends of Rotary and business in the area. Thank you to all who provided donations that will be used to provide awards and prizes to our competitors.

We thank all participants for registering this year and wish each entrant a joyful event. We have tried to make the costs reasonable and where possible financial assistance is available. The rewards part of competing in the festival is the satisfaction that comes with putting the skills you have learned to the supreme test through your performance at the Rotary Music Festival. We are looking forward to seeing your performances at the 66th annual festival.

Good luck to all participants!!

Frank Exley

Frank Exley,

2020 Music Festival Chair
