

JUNE 19, 2019

It was nice to welcome back Paula Reaume-Zimmer as our guest speaker this week. Paula was introduced by Rotarian Tom McCarthy.

Paula is a graduate of the University of Windsor, receiving her B.Sc. in 1997. She received her doctorate from Central Michigan University in 2016.

She is currently the Integrated Vice President of Mental Health and Addictions Services for Bluewater Health and Canadian Mental Health Association, Lambton Kent.

Today, Paula updated Rotarians on the Access Open Minds program - a program that has been supported by our Rotary Club for many years.

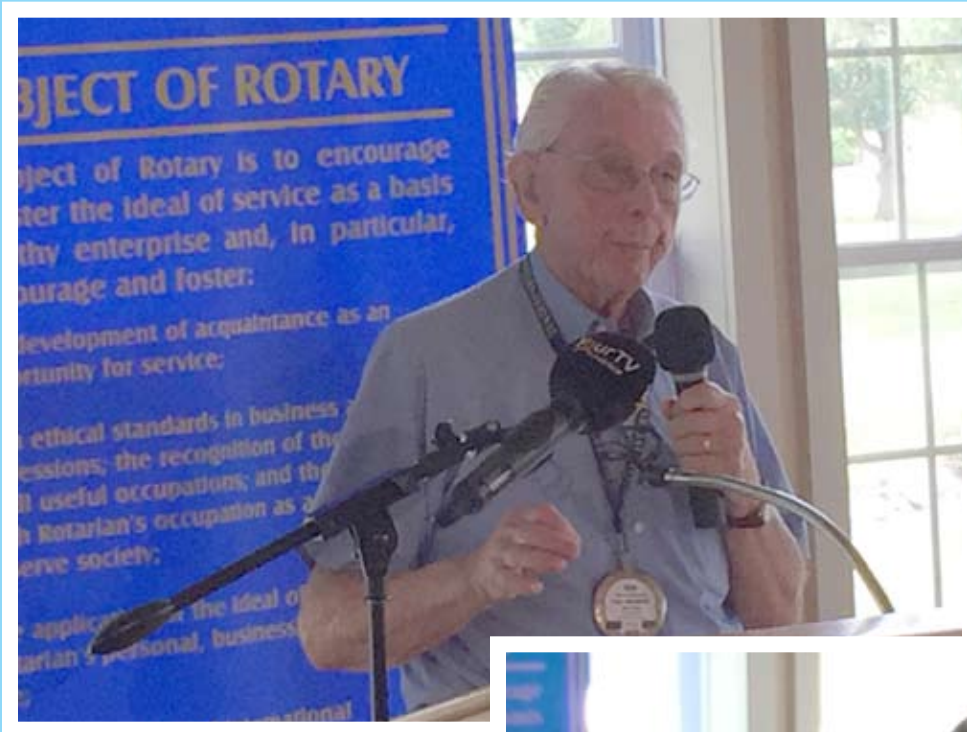

Access Open Minds is changing youth mental health care in Canada. There are 14 sites across Canada in this initiative and Chatham is the only location in Ontario. At these locations, youth and their families are able to get rapid and barrier-free access to mental health support. In Chatham, an Access Open Minds youth hub has been opened at 140 King St. W.

In the first year of operation, 167 youth were served. Last year, this number increased to 378.

Our Rotary Club has helped with this project for many years and we welcome periodic updates from Paula. Paula was thanked by President Jennifer.
