35 Thames St., Chatham • 519-354-8300

MARCH 22, 2017

Our guest speakers this week were **Constables Ed Rota and Brent Milne** of the CK Police
Service. They were introduced by **Rotarian Jenn Jacobson** and thanked by **President Alysson Storey.**

Our speakers updated us on the Citizens Online Reporting System. This reporting system allows us to submit a report of a crime immediately and print a copy of the police report for free.

The incident must have occurred within the municipality, we must have a valid email address and if there is a known suspect, we are not allowed to report online. In addition, we can not report on behalf of a third party. If online reporting is not available, we should contact the police by phone.

After a report is filed online, the report should be reviewed by someone from the police department within 24 hours.

Constables Ed Rota and Brent Milne were our speakers this week

If further investigation is needed, the police may contact the person who submitted the report.

Types of incidents that can be submitted online include theft, including car theft, under \$5,000, lost property, mischief or damage caused to a vehicle or property and lost or stolen licence plates.

Since the system was initiated, 83 incidents have been reported so far.

Give me one dozen roses, put my heart in beside them and send them to the one I love,

She'll be glad to receive them and I know she'll believe them, that's something we've been talking of.

There may be orange blossoms later, kind of think that there will 'cause she's done something to me and my heart won't keep still.

Give me one dozen roses, put my heart in beside them, and send them to the one I love.

Rotary International Assembly Newsletter

Submitted by Rotarian Barry Fraser

Attending a Rotary International Assembly in San Diego certainly makes one realize just how worldwide Rotary is!

It was a real privilege and honour for Carolyn and me, to take part in the training opportunities that Rotary presents to their District Governors-Elect. We represented 538 Districts, close to 36,000 Clubs and 1.2 million Rotarian from over 200 countries and geographic regions. How humbling is that and such a responsibility! I will certainly be depending on the entire District to carry out the RI Theme "Making a Difference".

The total number of participants including Rotarian facilitators, current and past RI and Foundation leadership was around 1300!

Starting with a Parade of Nations Sunday evening, just like the Olympics, it ends with the send-off Banquet Friday evening. In between we attended 8 plenary and 9 breakout sessions. All opportunities included wonderful speakers or media presentations which inspired us to spread the news about all the good Rotary accomplishes in the world.

Capable RI staff was on hand to give us opportunity to experience and learn about all the technology available through the Rotary Resources. Our attendance was very closely monitored, which illustrated the importance of accountability for our training.

We were encouraged to meet as many people as possible to share and gain ideas.

Carolyn and Barry with Ian Risely and Juliet

Each DGE & spouse/partner had a photo opportunity with RI President-Elect Ian Risely and Juliet from the State of Victoria in Southern Australia. Ian and I joined Rotary at the same age and year in 1978. Ian is passionate about the care of the environment and Juliet stresses literacy.

The entire week's agenda was very tight starting at 7:00 a.m. to at least 9:00 p.m. We also had lots of fun and laughter and met so many friendly people. We even donned our favourite sports jerseys (since we don't have a national costume) and danced one evening to the band sound of the 60 & 70's. The delicious food was available to suit all special needs. The experience provided renewed energy to me.

Through all the help of our members and undertaking various projects, we will, in District 6380, be known for.... 'MAKING A DIFFERENCE' for Rotary in 2017-18.

Thanks so much to Rotary and my District.

RI Assembly was an experience of a life time!

POLIO UPDATE

At last week's Rotary meeting, Rotarian Keith Koke gave an update on the polio eradication program.

Here are some more pictures taken during the presentation.
