

## OCTOBER 31, 2018

This week, our speaker was Stan Sharpe. Stan is a teacher at CKSS and is married to Rotarian Tania Sharpe.

Today, Stan was speaking about the 100th anniversary of the ending of World War 1 as part of our Remembrance Day program.

During this war, about 350 young men from the Chatham-Kent area lost their lives in active service. Many are buried in Commonwealth cemeteries in Europe.

Stan told the story of many of these soldiers.

It is important that we remember those who died in the Great War, even though none of us

were alive then. If we can learn to appreciate each of these soldiers as a person, we will be more apt to remember.

Stan told us about one father and his two sons who all enlisted in the war. Unfortunately, not one of them returned. He told many similar stories.

Many of these soldiers had names that are well known in the Chatham Kent area.

Stan has worked very diligently on researching these war stories and we thank him for his excellent presentation today.

Stan was introduced by Tania Sharpe and thanked by President Jennifer.
