SEPTEMBER 25, 2019

Today, our speaker was Tony Walsh, the NDP candidate for the CK-Leamington area, who was introduced by Rotarian Tracey Walker. Tony is married with 3 boys. This is Tony's second attempt at winning a seat as our federal MP.

Tony is an investment consultant and has worked for over 20 years in banking. He has worked for CIBC for the past 4 years. Before that, he worked for TD for 15 years.

He served as president of the United-Way in CK.

Tony admits to having a large collection of comic books, numbering several thousand, and also admitted that he likes to collect toys, both nostalgic and new. Tony started these collections with money earned delivering papers for years.

Conservative MP Dave Van Kesteren, who currently is the MP for this area, is retiring from politics. Tony is being opposed by Dave Epp for the Conservatives and Katie Omstead for the Liberals.

With major issues such as climate change and reconciliation, this is an interesting election. The results will be known on October 21.
