

OCTOBER 30, 2019

Today, our speakers were Christa and Rick Devolder from the Southwestern Ontario Conductive Education Program. Rick and Christa were introduced by Rotarian Karen Kirkwood-Whyte.

This program offers a 4-week camp for children with Cerebral Palsy between the ages of 2 and 16.

There are 4 different locations, Chatham, Sarnia, London and Windsor.

The program is celebrating 20 years of helping children improve their motor skills and self-esteem and also encourages greater independence. The program is now a registered charity.
