

Why Join Rotary?

Networking

As a Rotarian you will enjoy camaraderie and become part of a network of people who share the goals and values of service above self.

Service Opportunities

Club members have many opportunities for humanitarian service, both locally and internationally. Service programs address such concerns as health care, hunger, poverty, literacy, and the environment.

International Awareness

With more than 31,000 Rotary clubs in over 160 countries, Rotarians gain an understanding of humanitarian issues through international service projects and exchange programs. The Rotary Club of Carleton Place has supported a number of international projects. Two recent examples are the Hippo Roller Project, which distributes rolling water drums to over 20 countries to help communities improve access to water, and Casita Copan in Honduras, an orphanage whose mission is to support orphaned and vulnerable children and single mothers.

Friendship

Rotary was founded on fellowship and remains a place to make lifelong friendships. Rotarians have friendly contacts all over the world.

Good Citizenship

Rotary keeps members informed about local, national, and international issues, and provides opportunities to make a difference. Rotary clubs are non-political, non-religious, and open to all.

Youth Programs

Rotary sponsors some of the world's largest youth exchange, educational exchange, and scholarship programs. Rotary clubs provide innovative training opportunities and mentoring for young leaders.

Entertainment

Fun is also an important part of being a Rotarian! Parties, special celebrations, and community activities are great ways to get to know each other and relax while making an important contribution.

Ethical Environment

Rotarians abide by The Four-Way Test.

Of the things we think, say or do:

- 1) **Is it the TRUTH?**
- 2) **Is it FAIR to all concerned?**
- 3) **Will it BUILD GOODWILL and BETTER FRIENDSHIPS?**
- 4) **Will it be BENEFICIAL to all concerned?**

Leadership Development

Rotary is an organization of community members. Team-building, fundraising, public speaking, planning, consensus-building, organization, and communication are just a sampling of the leadership skills that club members can exercise and enhance.

Diversity in Membership

Rotary aims to have a membership that is broadly representative of identities, experiences, cultures, professions, occupations, ages and genders.
