#### YOUR INVESTMENT: Improving young futures in ottawa south

#### Dear Dave, Chris and the Rotary Club of Ottawa South,

The needs of our members are evolving and intensifying. The pandemic not only physically distanced us, but also amplified the systemic barriers that many members face every single day of their lives. BGC Ottawa supports all equity-seeking groups, and diverse children and youth, especially those with visible identities. We believe in systemic opportunity to correct the systemic racism and barriers many of our young people have faced and continue to encounter by making equity, diversity and inclusion (EDI) and anti-black racism (ABR) a priority.

Today, we ask you to consider a transformational gift that will fund key programs. You will help close the gap and ensure we continue important educational initiatives with an equity, diversity, and inclusion lens.

Thank you for your confidence in our work and for everything you continue to do for BGC Ottawa, and the thousands of children and youth we serve.

Sincerely,

Adam Joiner, Chief Executive Officer BGC Ottawa

## WALK THIS WAY

#### IT ALL STARTS WITH ONE STEP...

For over fifteen years, BGC Ottawa's (formerly the Boys and Girls Club of Ottawa) Walk This Way (WTW) program takes Members on treks through the city, the countryside, and surrounding points of interest. This award-winning youth-serving program (2017-UWEO Community Builder of the Year Award) has helped hundreds of children and youth in its time.

From walks through Gatineau Park, Hog's Back Park and downtown, Members get to keep fit and experience their city and neighbourhood in new ways. Plus, the annual program culminates in a walk at Ottawa's Race Weekend and a public celebration.

Walk This Way is an enriching, holistic educational, social, and recreational program tailored to Members from underserved areas encountering barriers to opportunities. The program also teaches healthy eating and nutrition as a foundation for healthy, active living.

This walking program encourages Members to walk between six and eight kilometres each week alongside a guide and BGC Ottawa staff. We have offered recent programs at the Don McGahan Clubhouse in east Ottawa, the Don Kolbus Clubhouse in west Ottawa, the Tomlinson Family Foundation Clubhouse on Prince of Wales Drive, and the Rochester Street satellite location in Centertown.

The Sports and Leadership League (SLL) was established in 2014. As leaders in barrier-free access to social recreation programs in Ottawa, BGC Ottawa offers the SLL as a year-round competitive sports program for youth ages 6-18. The SLL focuses on skills development, leadership, and teaching the importance of responsible and healthy competition whilst providing a healthy and safe environment.

No payment is required for youth who participate annually, and all equipment and transportation is provided by BGC Ottawa. In doing so, we remove the barrier of lower income families participating in organized sports.

No child is left behind.

Since 1924, Camp Smitty, operated by BGC Ottawa, has provided thousands of children and youth aged 8 to 16 years old with an unforgettable summer camp experience.

Thanks to donor support, BGC Ottawa offers this truly transformational experience to as many at-risk children and youth as possible regardless of their families' financial situation.

Campers get to leave their troubles behind and just be a kid while learning important values, building self-esteem and life skills that they will bring back to their families and communities – making memories to last a lifetime.

Camp Smitty is a non-profit program. You can make a difference by helping send more children to camp!
