Rotary International DEI

As a sign of our commitment to creating an organization that sets the standard for valuing and living the principals of diversity, equity and inclusion (DEI), the Rotary International Board adopted Rotary's Diversity, Equity, and Inclusion Statement in January 2019.

The RI board of directors passed a diversity, equity, and inclusion (DEI) statement:

"As a global network that strives to build a world where people unite and take action to create lasting change, Rotary values diversity and celebrates the contributions of people of all backgrounds, regardless of their age, ethnicity, race, color, abilities, religion, socioeconomic status, culture, sex, sexual orientation, and gender identity. Rotary will cultivate a DIVERSE, EQUITABLE, and INCLUSIVE CULTURE in which people from underrepresented groups have greater opportunities to participate as members and leaders."
