District Governor John Burns

Weekly News Letter June 24th 2024

Good morning,

Weekly message to D7070 AGs, Rotary and Rotaract Club Presidents & Club Secretaries.

Please forward to your members!

Good afternoon to you all.

Sadly this is my final weekly newsletter as your District Governor, as I passed on that honour to Virginia O'Reilly our new District 7070 Governor on Thursday evening.

It was a night of mixed emotions for me. On the one hand, I am genuinely sad that it is over as I have enjoyed every minute of my year. On the other, I look forward to spending more time with my wife and family who have supported me all the way through. I also look forward to playing golf again, and thanks to the gift I received from the DG Team I can look forward to playing at Royal Ashburn Golf Club. Pauline and I also look forward to a vacation soon in Scotland.

The year has been a whirlwind of activity. I sincerely thank all of the members of District 7070 for the support they have given me and the warm welcome I received when visiting your clubs.

The task of District governor, was made easy for me, by the encouragement and constant support of the DG Team. I couldn't have done it without you.

The Assistant Governors, an essential part of our organization, have always kept me abreast of the status and well being of our clubs. They are the eyes, the ears

and the voice of the Governor out in the district. They have all done a splendid job. I can't thank them enough.

The District Leadership Team cover all aspects of Rotary, each committee well managed by the committee chairs. It has been a pleasure working with you

Past District Governors, also played a big part in making my year a success. They were always there when I needed advice or guidance.

So you can see, that a District Governor is not alone as they manage the affairs of the district.

I would encourage any of you to consider following in my footsteps.

If I can do it , you can do it.

I wish District Governor Virginia a very successful year, and I will be with her and the team every step of the way to offer support and guidance as we go forward into a new year where we will experience **“The Magic of Rotary”**.

My schedule for the next week

Tuesday 25th June – Whitby Sunrise Presidents Night

Thursday 27th June – Rotary Club of Bowmanville Changeover Night

Friday 28th June – DG Team meeting.

Keep up the good work Rotarians, your service above self will **“Create Hope in the World”**.

John Burns
