

Overview

The Rotary Youth Centre known as “Rotary Hall” is owned and operated by the Rotary Club of Campbellford. We are a Charitable organization made up of members from our community who volunteer their time and money to provide service to others. Our Club is unique in that we own a building which we make available for use by groups and individuals in our community at little or no cost.

This rental agreement reviews what rooms are available for rent and dictates the maximum capacities. Washrooms are shared and kitchen facilities may be restricted, pending the agreement signed.

The Youth Centre has been the location of the Northumberland EarlyOn Program for a number of years and this program has priority on the use of this facility as they now have their own space (in the former Rotary Board Room) that is strictly off-bounds. This group also has full use of the small kitchen and all supplies belong to them. This shared facilities means that the EarlyOn staff and guests have access to the washrooms & the canteen by entering the main Hall meeting space. Likewise, there are some dance floor mats in the corner along with a dance bar – these must not be touched and left alone. Please respect their property.

Purpose:

The purpose of this policy is to clearly outline the procedures to be followed by any group, organization or individual using the Rotary Youth Centre,

Objectives:
