

Dear Friends,

I know this has been another very challenging year as we dealt with the continued anxiety and restrictions of the pandemic. Emotionally it has taken its toll, with isolation from family and our fellow Rotarians, restricted access to health care and daily activities, and in some cases, the loss of loved ones.

I want to express my heartfelt thanks to each and every Rotarian in our Club for carrying out the critical tasks needed by our communities in these difficult times. Each of you is an extraordinary example of commitment, professionalism and teamwork.

With gratitude, regard, and appreciation, I thank you for being my inspiration, and for your contributions in support of our Club and community.

Happy Holidays and a Happy New Year.

**Rotary Four Way Test Invocation**

From those who have received much, much is expected,  
And so, as we travel along life's road of the things that we think, say or do,  
Let these things be the truth and only the truth,  
May all of our interactions be fair to all concerned,  
Let our dealings build good will and better friendships,  
And may these dealings be beneficial to all concerned.  
Let peace embrace the world through Rotary.
