**Rotary Motto – Service Above Self**

Rotary is a worldwide organization of business and professional leaders. It provides humanitarian service, encourages high ethical standards and helps build goodwill and peace in the world. Approx 1.2 million Rotarians belong to more than 31,000 Rotary clubs in 166 countries. Rotary club membership represents a cross-section of the community’s business and professional men and women. The world’s Rotary clubs meet weekly and are nonpolitical, nonreligious, and open to all cultures, races and creeds.

The main objective of Rotary is service — in the community, in the workplace, and throughout the world. Rotarians develop community service projects that address many of today’s most critical issues, such as children at risk, poverty and hunger, the environment, illiteracy, and violence. Also supported are programs for youth, educational opportunities and international exchanges for students, teachers, and other professionals, and vocational and career development.

Every active member shall be an adult of good character and good business or professional reputation meeting the qualifications of Article 6 of the “Constitution of Rotary International”.
