Peter Hernandez spoke on behalf of the Programme and Fellowship Committees inviting members to come to next week's special Christmas Lunch at Oshawa Golf Club. Spouses are welcome and come with an "ugly Christmas sweater" or the equivalent to make it a fun celebration of Christmas and our club.

Tess Pierce made a further and last appeal for food/cash for Simcoe Settlement House. Joe Solway promoted a concert to be held this weekend for "Feed The Need" in Durham. The cost is \$25 and he had tickets with him.

#### **Happy Bucks**

The following donated Happy Bucks for a variety of reasons:

Ron Dick, Cindy Ruckemann, Joe Solway, Tom Maxwell (mic was taken from him as he took far too long to say his piece – as usual!), Kim Tan, Ron Cartmell, Shahrez Qureshi and Geoff Lloyd.

**Speaker – Sonia Jones, Curator RMG**

Sonia gave a very interesting talk with Powerpoint on The Thomas Boukley Collection of photographs in the RMG. These covered the period from 1870 to 1970 and provided an interesting and informative history of Oshawa through those years. The photographs covered community events, community resources and important historical occasions in the history of Oshawa. The photographs are preserved in the RMG for future generations and are an important tool for those studying the social history of Oshawa.
