1. Valentines greetings to all

Mic Time

Ron Dick who informed us that barring any last-minute hitches, the Rotary Club of Oshawa will have its first District Governor in 60 years. He neglected to give the name, but everyone applauded generously. What a wonderful start to the meeting. Ron also alerted past presidents to the meeting to plan the centennial of our club in 2020.

Kim Tan is off to Barbados but will be collecting for some cause when she returns. Mike Adams is driving her out of town.

Mike Adams told us of a Black History Month celebration on February 22, 7:30 at RB7, Adelaide and Richmond.

Happy Bucks

There were many people willing to throw in a happy buck reflecting the mood of the hall. It was a long list but some of them were – Trish Best talking about sweat equity in the Dominican Republic coming up – she, Clive Waugh, Emmy Itheme and Laurie Perkin leave on the 22nd for a week; Gordon Dowsley with his spouse Marilyn told of an early morning phone call that day announcing the birth of a grandson in Thunder Bay; Rhonda Gorham congratulated Emmy on the wonderful Ontario Paragames on the weekend that he co-chaired; John Hudson for some reason was happy to be himself and so were we; David Mills with his spouse. Dianne, gazing happily announced they had sold their home and will be looking for smaller digs; Peter Hernandez with his natural flair, thankfully held in check by his wife Irina one day from her due date, thought

perhaps they should have traded houses with David since they are upsizing, he was also happy to be back after a few weeks off and that in the Toast Masters local championship he had won both the speech and valuation contests and will be going to the district playoffs; Donna Doherty praised Emmy's work also and expressed how happy she was that her father, who is seriously ill, sounded so great on the telephone; Emmy put in a dollar and announced the 28th anniversary of Donna and her husband Wayne; and Gordon got a dollar from Ron to tell how Ron had spoken well in Trenton when the two of them gave a landmines presentation last week and Trenton replied with a \$1000 check.
