Speaker – Steve Rutledge

Steve talked about his Rotary Project "Adopt a Village in Laos". As a Rotarian from Whitby Sunrise Club Steve has been running this project for 10 years and told us about his visit to Laos last year with 5 groups of Rotarians, friends of Rotary and other visitors. They discovered that many of the villages where they had supplied water filters had been overrun by floods from many of the dams which had been destroyed in hurricanes and heavy rains. They helped to repair two dams as well as deliver over 1000 water filters to villages.

Steve presented a 5 minute video and slide show of the recent trip as well as demonstrating how the filter works with one he had brought to the meeting. He

encouraged to support the project either through a legacy or donation and gave out leaflets about the project. Tom Maxwell thanked him on behalf of the club.

Noon Hour Draw

David Mills – \$49.00 – Jack of Clubs.
