*“Choose your leaders with wisdom and forethought.
To be led by a coward is to be controlled by all that the coward fears.
To be led by a fool is to be led by the opportunists who control the fool.
To be led by a thief is to offer up your most precious treasures to be stolen.
To be led by a liar is to ask to be told lies.
To be led by a tyrant is to sell yourself and those you love into slavery.”*
– **Octavia E. Butler, Parable of the Talents**

New Member Induction

President-Elect Trish Best introduced our newest member, Karen Dick. Karen is no stranger to our club and has worked with us on many projects. Trish met Karen at Ribfest, and they became immediate friends. District Governor-Elect Ron Dick, inducted her into the club. Welcome Karen!

Happy Bucks

We forgot to do Happy Bucks today, but your donations are always welcome. We can pay our Happy Bucks via e-transfers thru email via our club treasurer.

Mic Time

Tess Pierce has arranged with the City for a clean-up day for the Oshawa Creek. We hope to have this arranged for week of June 8. We will have to wear PPE and manage social distancing. We will have to bring our own black garbage bags and possibly take them home with us for home-based garbage pickup. Each house can now have 6 black bags. Service Oshawa can arrange for garbage to be picked up in the park if we finish before 11 am. Tess will keep us posted on details. Watch your emails.

Donna Doherty, in her role as scholarship chair, announced that an awards assembly will be held at Kingsway College on June 12 and she needs someone to drop off check. Jay Cannings said he will be happy to do so.

Guest Speaker: Rotarian Marty Franssen

Emmy Iheme introduced Martin.

Prior to joining the Durham Regional Police Service in 1999, Martin was a Military Engineer officer with the Canadian Armed Forces for 10.5 years. As a police officer, Martin has worked in many capacities including uniform patrol, criminal investigations at the divisional level and on homicide projects. Martin participated in two (2) overseas tours as a representative of DRPS and Canada under secondment to the RCMP in 2006/2007 at the Jordanian International Police Training Centre (JIPTC) and in 2009/2010 in Afghanistan.

In 2014 Martin was assigned to the Major Fraud Unit and is currently responsible for conducting complex investigations in the particular areas of fraud against vulnerable persons, theft by Power of Attorney, mortgage fraud, and financial crimes related to estate and trust funds. His presentation today centred on this role. Martin believes that awareness is key to prevention of victimization. To this end he regularly provides presentations to people across the Region of Durham and in the GTA.

This very informative talk covered scams that now use COVID to get our money. One he mentioned was the scam where the caller states the victim's grandchild was involved in a car accident on their way to hospital. Other COVID scams include fake registrations for CERB funds and other govt. support programs. He provided some tips to avoid losing your money. One easy way is to change your passwords to a phrase password. For example, Dandilionsarenotweeds. Could become dAnd1lIon5rKNotw22ds. These password phrases are very hard for scammers to decode. Basically, Martin said if it does not feel right, DO NOT CLICK!

Trish asked about Canada Post issue she had. **Jay & Peter** asked questions about authorizing online purchases, and **Shailene** asked about the Nintendo identity breach.

Croyden De Mello thanked our speaker.

LET'S GET COOKING! JUNE 1 WITH LINDSAY

Lindsay is a local real estate broker with the Buy Sell Love Durham team. He has operated a business locally and his passion is food. He comes from a family of chefs and has trained in Canada, United States and Europe. His food passions centre around Southern France, Northern Italy, North Africa and India. Join Lindsay from his kitchen to learn how to make some great home cooking.

Farfelle Pasta with Garlic Tomato Sauce

Grocery List: Onion, chopped ginger, garlic cloves, butter, 28oz can plum tomatoes, Italian parsley, pasta (penne, farfelle, or rotini).

Recommended equipment: Large sauté pan with high sides, stirring spoon, knives, spatula, metal bowl (for mixing sauce with pasta), colander, measuring cups. Lindsay will be using a food processor but if you do not have one (like me) we will be making a heartier-chunkier version.

We are now ZOOMING all our meetings
