Eye Exam for YOU and YOUR Family

(up to 5 people)

Optical Group is a certified optometrist's office that has been serving families in the Durham Region and the GTA for over 35 years.

Dr. Constance Odiase and her team of eye care professionals are happy to welcome you to their optometry center in the heart of Whitby.

We understand how important eye health is to your quality of life and provide care and products that will meet all of your visual needs.

We offer the highest quality lenses and frames available at the lowest possible prices and personalized optical and optometric care that will give you the best possible vision

Value: \$ 150.00 per person

for a complete digital visual and health eye examination

Thank you to our friends of Rotary : Dr. Constance Odiase at Optical Group
