Ortho-Cerv Headleveler Pillow

Pillows are divided into three divided compartments of different widths. This means the pillow stuffing won't be displaced while you're sleeping, meaning you get consistent support throughout the night. Two-sided, handmade, hypo-allergenic, hypo-bacteriogenic, machine washable and 100% breathable. Begin each day restored, aligned and happy.

Value: \$ 70.00

At Martin Chiropractic our vision is to transform the community's understanding of healthcare by educating and adjusting as many families as possible allowing them to experience optimal health and wellness through natural chiropractic care.
