

10 Bags of Ploughman's Choice

Grow Green with Rotary

Rotary
Club of Oshawa-Parkwood

The ultimate slow-release soil amendment for gardens and lawns. Composed of 100% composted, all-natural livestock manure, both vegetable growers and Ontario homeowners are discovering the advantages of this remarkable soil amendment and mulch.

There's no green bin, recyclable materials or other fillers included.

Value: \$80.00
