

Wind Spinner

With a striking, high contrast two-tone copper finish, this wind spinner can be a stunning focal point in any outdoor area. Superior quality ball-bearing movement ensures optimal spinning performance allowing the wind spinner to move with just a whisper of wind. The durable three-prong staking system anchors the wind catcher for maximum stability in higher wind conditions.

Features:

- 100% steel construction
 - Superior quality ball-bearing movement
 - Black powder-coated, UV and weather-resistant finish brushed with copper paint
-
- Durable, three-prong stake anchors wind spinner to ground
 - Withstands wind conditions up to 56.33 km/h (35 mph)
 - Assembly required

Specifications:

Dimensions: 58.5 cm × 26 cm × 212 cm (23 in. × 10.2 in. × 83.4 in.)

Weight: 3.6 kg (7.92 lbs.)

Value: \$ 60.00
