

5 Bags of Ploughman's Choice

Package # 1

Grow Green with Rotary

The ultimate slow-release soil amendment for gardens and lawns.

Composed of 100% composted, all-natural livestock manure, both vegetable growers and Ontario homeowners are discovering the advantages of this remarkable soil amendment and mulch.

In 24 pound bags. Available NOW for pick-up or delivery.

There's no green bin, recyclable materials or other fillers included.

Value: \$ 40.00
