

7-in-1 NOSALGIC RETRO TURNTABLE WITH CD, CASSETTE AND RADIO

This Proscan stereo system includes a 3-speed Turntable, CD player, Cassette player and AM-FM radio with 2 built-in Stereo speakers. It features Bluetooth streaming of music. There is a 3.5 Aux-In available that enables you to add your own external speakers to the system. The USB encoding enables you to digitize your vinyl records. The stereo system is in a wooden cabinet with PVC warp finish with detachable legs. The power supply is DC 5V 2A.

Value: \$ 282.00
