Big Brothers/Big Sisters Bowl-a-Thon

The format of this week's Beacon is somewhat different due in part to the Big Brother/Big Sister Bowl-a-Thon. PP Bruce coordinated the event and his textual account of Monday evening activity follows below.

The statement below which appeared in blue in last week's Beacon elicited no response, so it is included at the beginning of this week's Beacon.

Many TBA's appear in the Future Meeting Schedule below. The Chair of Program, Door Duty and Scribe responsibilities please forward a list of inputs to the editor as soon as possible for the benefit of all readers. Your editor has no information to complete the boxes.
Thanks.

BOWLING

Once again a group of stalwart bowlers upheld the honour of the Club and raised fun and funds for Big Brothers and Big Sisters.

Rising to the challenge of Northumberland Sunrise, we collected \$1105.00 in pledges to their \$905.00. Amazingly the Sunrise Club's final total suddenly increased to \$1105.50. Equally surprising, when we recalculated our pledges it was determined that there was an additional \$250.00. Our final total was **\$1,355.00!**

On the lanes, also the competition was fierce among the 3 teams fielded (allegedly) by our Club. Ultimately, Joyce's team, 'The Alley Cats' achieved bowling glory with their winning score of \$608.00. This was despite fancy footwork (a la Fred Flinstone) by Jamieson of 'The Pin Heads' and an awe inspiring 'comeback' by Bill of the 'High Rollers.'

There were no game misconducts although a bowler in an adjoining lane (initials A. E.) attempted to eliminate Pres. Kelly through a ball delivered with a lateral trajectory.

The much coveted Black Ball Trophy will be presented to the captain of the high scoring team in some unspecified future epoch.

A big thank you to all who pledged donations and/or bowled.

P.P. Bruce

PH Rotary Exchange Student Letter.

Hello everyone.

Two days ago was my seven month mark and I can't believe I have been here this long, the time is just flying by. Since I last wrote to you I have gone to Engelberg and went sledding down an Alp again (I was properly dressed for the weather this time) for a rotary weekend and met some new exchange students. Aside from that everything has just kind of been normal. At the Rotary meeting we met All the Exchange students from the southern Hemisphere that come here around January and leave at about Christmas. They are mostly Australians and are really cool people who are up for anything. Also in my school

we have a couple new exchange students who are all really cool as well. There is one Australian (from Rotary) two Mexicans (one is already almost fluent), and one Slovak. I have been trying to help them along but I think they are doing a better job than I did starting off so I just give them advice every now and then. Aside from all that everything has been fairly normal, but not in a bad way or anything, I have just gotten so into my life here that for me Its not really a one year exchange anymore, its just my life and I can't even think what it will be like leaving this place and coming home to Canada. I have taken on more responsibility at school and I am now about third best in my language course (of about thirteen) at school. I have also been making allot of new friends and at this point I have really just become a part of everyday normal life. I could not be happier.

Thank you again for this wonderful year.

Action & Contemplation

Who do we put in fourth?

How many Rotarians does it take to change the electronic score?

I must remember that addressing the alley does not start, "Your Honour!"

Really? I have to keep the ball between the gutters?

Should I use the one hand twist or the two hand toss?

Yes, this is a good bowl!!

Yes, we **are** having fun, **really**!

Intensity personified.

Some of the competition.

Bowling? I thought it was a pizza contest!
