

What is Rotary?

A worldwide network of inspired individuals who translate their passions into relevant social causes to change lives in communities.

The main objective of Rotary is service – in your community and throughout the world. Rotarians build goodwill and peace, provide humanitarian service, and encourage high ethical standards in all vocations.

The Rotary Foundation

The mission of The Rotary Foundation is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education and the alleviation of poverty.

Community Service

The Rotary Club of Port Hope supports projects in our community such as:

- Riverfront Walkway, with the gazebo, benches, trees and walkways
- High school students at Port Hope St. Mary's Secondary schools.

- Port Hope Rotary contributed to the construction of an accessible playground, Zac's Dream.

- Rotary gives financial support to the Corner Stone Family Violence Prevention Centre, Northumberland Hills Hospital and members of the community with special needs.

Lend a Hand Up

The Rotary Club of Port Hope partners with other community organizations including:

- Habitat for Humanity
- Big Brothers/Big Sisters
- Greenwood Coalition

The members of the Rotary Club of Port Hope provide a pot luck supper about 4 times a year to 70 or more people who are among Port Hope's most vulnerable population.

Port Hope Rotarians contribute in big and small ways, always enjoying taking part in community events like handing out popcorn during Movie Night in the Park and the Port Hope Fall Fair.

Fresh Water Projects

Youth Exchange

The Port Hope Rotary Club is an active participant in the Rotary Youth Exchange program, hosting students from around the world and sending Port Hope area students to other countries.

International Service

Through The Rotary Foundation and in partnership with other Rotary clubs we contribute funds to support the World Community.

Polio Eradication

The eradication of polio from the world is the primary goal of The Rotary Foundation. Rotary and its partners are on the brink of eradicating this tenacious disease.

One of our members Past District Governor Bob Wallace and his wife Kathy travelled to India in 2012 to participate in a National Immunization Day to immunize children.

Rotary Club of Port Hope

Service and fellowship are the cornerstones of Rotary. We meet on a weekly basis for the purpose of conducting club business and enjoying spirit of working together toward shared goals of service to others in our community and the world.

Meetings

The meeting format is dinner followed by a speaker and short discussion on a variety of topics relating to business, community and world affairs, the arts, and entertainment. We finish with club business a time for fellowship.

Fellowship

Our weekly meetings and fundraisers, home parties and outings afford plenty of opportunities for fellowship and networking that is fundamental to all Rotary clubs.
