The Women's Initiatives Committee of the Rotary Club of Richmond Hill are holding a **Virtual Wine Tasting Fall Event on Friday, November 3rd at 7:00 PM**. The proceeds will be going to Women's Initiatives and Charities in the community. Please see the attached wine flyer.

The cost of the event is **\$125** per household. This includes 4 - 750mL bottles of Jackson-Triggs Wines provided by Arterra Wines Canada which will be delivered to your home prior to the event. The list of wines that will be featured will be coming in the next email. During the event a wine steward from the winery will be discussing each of the wines, with additional time for questions. A suggested list of food pairings will also be provided along with the wines so that you may purchase the food ahead of time to enjoy the wine.

All you have to do is E-transfer the \$125.00 to treasurer.richmondhillrotary@gmail.com and in the comments field type Virtual Wine Tasting-November 3, while processing this on your banking website. Our Treasurer will then know what this transfer of money is all about.

After you have paid, please email me your full name, address, and telephone number to: donitahagborg@gmail.com. A link to Zoom for the event will be sent closer to the date.

The final date of registration is Monday, October 23rd.

Please help us raise funds for Women's Initiatives and Charities in the community and for another fun evening of tasting delicious wines! 🍷

Should you have any questions regarding this event please feel free to reach out to any of the Committee Members.

Best regards,
