William Peace, the first President of The Rotary Club of Toronto

Founder's Day Special Lunch

The Rotary Club of Toronto was organized by Mr. Burton E. Pfeiffer, the first President of the Rotary Club of Buffalo, N.Y. The first meeting was held on Thursday November 28, 1912 with 15 charter members, all representing large industries and being corporate officers of the companies represented. Our first President, William A. Peace, was elected and he organized a weekly luncheon meeting at The King Edward Hotel on Tuesdays from one to two o'clock. It was carried that the annual fees would be \$5.00.

It was agreed to have the registration of the name "Rotary Club" transferred to the International Rotary Association, so that Rotary Clubs might be organized throughout Canada upon payment of the expenses occurred in originally securing such registration and the proposed transfer of same.

It was moved and seconded that a hearty vote of thanks be extended to Mr. Burton E. Pfeiffer for his kindness in coming to Toronto on two separate occasions for the purpose of organizing a Rotary Club in Toronto and that Mr. Pfeiffer be elected as Honorary member of the Rotary Club of Toronto, whose success thus was largely due to his effort. The first honorary member motion was carried unanimously.

Help a Rotaractor with Lunch!

President Neil reminds us that many members of Rotaract cannot afford the cost of Rotary lunches. This means that many cannot attend meetings and participate in our Centennial Year events. Please help our future members by donating any extra lunch tickets to the office to allow them to attend important Centennial Lunches.

– by Barbara Thomson

President Neil welcomed everyone to celebrate our third Centennial Luncheon. He introduced the head table and our monitor, Bill Morari, introduced our six visiting Rotarians including District Governor Ted Koziel and his wife Maureen. Guest Speaker Dr. Judith Shamian, President and CEO of the Victorian Order of Nurses for Canada and President of the Canadian Nurses Association, spoke of her respect for Rotary and the work that it does locally and worldwide. She praised The Rotary Club and The Good Neighbours' Club for understanding the importance of community partnerships and stressed that continuing to cultivate the grass roots of our organizations will keep us strong for another hundred years. Dr. Shamian was approached to complete a segment of Undercover Boss Canada which she felt would help her understand the needs of her organization at the grass roots level. It will be aired on October 4, @ 9:00 pm.

Dr Judith Shamian with President Neil
