## Interota Is Coming!

– by Andrea Tirone

You have heard about it, you have seen the logo, but now you ask “How can I get involved?” Interota is the International Rotaract Conference and it is less than 6 months away. With hundreds of Rotaractors about to descend on Toronto, we would like Rotarians in District 7070 to be involved. Over the next several months, the Interota Organizing Committee will invite you to see how your club or individual Rotarians might be a part of the historic event for Rotaract in Canada. The committee is also looking for corporate sponsorships, in-kind donations and volunteers for the over 300 Rotary youth from around the world. If you are interested in helping, or just want to hear more about Rotaract and Interota, please contact [info@interota2014.com](mailto:info@interota2014.com) or visit [www.interota2014.com](http://www.interota2014.com) for more information.

*The Interota 2014 Conference has put out a call for Rotaractors to take a picture of themselves with an “I Love Interota” sign. This is Evan Burrell, from Australia.*

The Fellowship and Entertainment Committee is pleased to announce that Past President Neil Phillips will kick off the “Taste of Scotland” on Wednesday February 12 at the National Club. Beginning at 6 pm Neil will talk about the various Whiskey producing regions of Scotland, their history and the type of Whiskey each one is famous for. Handouts will be provided to all those who attend. Canada's only Female Scotch Ambassador will be attending in full Scottish Regalia and she will expand upon the words that our esteemed Past President will offer. “The best laid schemes o' mice and men gang aft agley.” Thank-you Bill Morari! The Brand Ambassador will be bringing us several special reserve bottles that are unavailable for purchase in any LCBO. We will be sipping selections from two of Scotland's finest distilleries – Glenfiddich and Balvenie. Glenfiddich Selections: 12-year-old; 15-year-old; 18-year-old and the very special Glenfiddich Malt Masters Edition!

Balvenie Selections: 12-year-old Doublewood Cask, and the Balvenie 17-year-old Rum Cask. Tickets are \$70 per person inclusive of HST and Gratuity for more than just a taste of Single Malt PLUS appetizers which will not leave you hungry for dinner, each serving selected and prepared by The National Club Chef to reveal and enhance the characteristics of every individual dram of whisky. This is a \$150 value for less than half . . . and one not to be missed. Bring potential Rotarians and impress them with the quality of functions that wait their joining our club. Space is not really limited but it would greatly assist the kitchen to know how many sumptuous serves of culinary delights are required. If we know how many people are coming, we can be sure that you will not go away hungry.

So, reserve your seat at the table by emailing Cliff Johnson at: [cliff.johnson@me.com](mailto:cliff.johnson@me.com) and booking your required number of tickets. Taxi or Public Transportation recommended for your trip home...

## What You Missed January 31st, 2014

— by Cliff Johnson

The last day of January held just the hint of Spring to come, albeit just a calm before yet another Toronto storm. A full house of Rotarians and guests came to listen to Douglas Gibson speak. Doug is an editor and publisher who has developed and nurtured many of Canada's most accomplished authors. Doug recently published *Stories About Storytellers* – an account of his experiences with storytellers over the years. Doug amusingly and freely admitted that writing a book is much harder than it looks . . . so hard that he even dedicated a chapter of his book to that fact. Accompanying his talk was a wonderful sequence of illustrations capturing the essence and quirks of his varied authors. Doug's description of Nobel Prize

winning author Alice Munro was most notable due to his life long avoidance of short stories; not for their art but for the fact they end much too soon. My favorite anecdote of Doug's was his description of all the Nobel Laureates wandering around the Stockholm fitting room in their underwear as ". . . the wisest men in the universe . . ." Several announcements were also made. President White acknowledged the passing of Past President Don Carman and the contributions Don made to Canada and the Rotary Club of Toronto. Luzita Kennedy won the wine but left the Ace of Clubs pot to grow another week. To much amusement, I announced that the Libations Tour of Scotland had been split into a six-part trek.
