

5th Annual Skate-a-thon to “Ice Cancer”

Dear friends,

Please donate to our Skate-a-thon taking place on **Thursday January 19th, 2023** at **9:00 am** at the East York Memorial Arena where members of the **Toronto East Rotary Club** have committed to skate 100 laps around the arena in less than an hour without any stoppage in an effort to raise funds for cancer care and for our Toronto East Rotary Club Foundation in support of important community projects.

Be part of our effort-by giving to help support patients undergoing cancer care and to also support vital community projects.

Donations made to the Toronto East Rotary Club will be split between the Michael Garron Hospital to help fund their cancer care and to the Toronto East Rotary Club foundation to fund community projects.
